EXTRA CLASSES CONCLUDE

The school held the extra classes for the students of IX to XII from 1 June till 10th of June. The students were given project work to be completed during summer break.

CBSE BOARD CENTRE CLOSED

The school is the board centre for X and XII classes. This time the examination were extended till June. The centre closed on 13th June.

INDUSTRIAL VISIT

An industrial visit was held on 6 June 2022 for 25 students of class XII commerce and 8 students of class IX and X along with Ms.SurbhiThakur to AuroTextiles, printing section Baddi.Objective of the visit was

- 1.To understand the working of a printing unit of a textile division.
2. To observe whether the Principles of Fayol are applicable in today's scenario.
3. To interview a professional and understand his career path

The objectives were achieved. Ms Pansy and Ms Bhawna from HR department Auro guided the students.

The students came back motivated and with an urge to visit more industries.

Our sincere gratitude to the management for organising this visit.

YOGA DAY CELEBRATION

The session began by seeking the blessings of the Almighty by chanting the Gayatri Mantra.Asanas starting with warming up and stretching were followed by a series of Padmasanas, Sukhasan, Tadasana, BhujangAsana and ending with Shavasana. Exercises for relieving stress, reducing joint pain and enhancing the flexibility of the back were also done.

Mrs.Indu Mishra& Mr Surinder motivated the students and conveyed the importance of making yoga an integral part of our daily life by extending the practice of yoga beyond the mat. They even told us that yoga helps increase concentration. Yoga day was celebrated with great enthusiasm. The session was very refreshing, reviving and relaxing.

Environment day

Sri Aurobindo public school celebrated world environment day on 6 June 2022. There was a special assembly organised by the students of class IX and X. The event started with the introductory speech given by Aanya of class X. It was followed by short skit based on the theme "Our Earth". Thereafter there was a short interaction of Akshita of class X with the students so as to spread awareness for saving the environment. The special assembly concluded with a speech by our Principal ma'am, who enlightened the students about their role as a citizen in saving and nurturing the plants as well as explained the importance of nature and natural resources.

Followed by this was a plantation drive which was inaugurated by our Director Sir and Principal ma'am in which students of classes IX To XII actively participated. About six tree saplings were planted at separate places in the school campus.

This was a moment of pride and pleasure for each member of Saps family. A small step towards green and clean earth.

GROUP DISCUSSION

A Group Discussion was held on 4th June, 2022 between class XII Commerce and Humanities in Aurobindo Hall under the guidance of Ms. Manisha Lila, the activity Incharge. This was preliminary round. The selected students will participate in final round to be held after summer vacations. The topics for groups were :

Group 1: Economic Crisis in India's Neighboring Country Sri Lanka

Group 2: Demonetization: Success or Failure

Group 3: Jobs vs Entrepreneurship – Which is better in India

Science Symposium

Department of Science conducted a 9-days seminar for students of class XII from June 1 till June 8, 2022 in Aurobindo Hall. The students presented the topics from various subjects like Chemistry, Physics, Biology, Physical Education etc. The speakers were given 15 minutes each to present their chosen topics. In the future, the department is planning to indulge junior classes of IX and X as well as the audience for such seminars.

This not only helped children to learn more about a varied number of topics, but also, enhanced their confidence and helped them come out of their shells. It will also enhance scientific temperament of the children and help them improve their communication skills as well. Not only the speakers, but these seminars also helped the junior batches sitting as audience to gain knowledge and develop scientific attitude towards various things.

Trip for the winners of CSC

A one-day trip to Punjab Engineering College (P.E.C) for district level winners of Children Science Congress (CSC), 2021-22 from the state of Himachal Pradesh was organized by the Government on June 7, 2022.

From our school, six students were selected for this trip who were the winners in different categories.

1. In report writing Tanisha won at state level in class VI- VIII category,
2. Ananya won at district level in class IX- X category
3. Arshiya won at district level in class XI-XII category.
4. Shadman won at district level, category IX-X for science activity corner.
5. Shivang won in Innovative model making at state level, category IX-XII
6. Arpita for Maths Olympiad.

There, they had a virtual tour of P.E.C, glimpses of past alumni etc. in the Career Development and Guidance Centre. Also, in the Civil Engineering Department, they were shown various equipments, machinery and their integration with the real world. The children were also exposed to robotic machinery in the laboratory

This was a great exposure for the children and it will also motivate them as well as others to come forward and participate in such competitive events. Not only this but also seeing the real-world simulation in P.E.C. will help children to practically understand the various concepts and develop their scientific temperament.
