

# **SRI AUROBINDO PUBLIC SCHOOL**

## **MONTHLY REPORT**

**JULY, 2023**

### **SCHOOL REOPENS AFTER SUMMER BREAK**

On July 6, 2023, the school resumed classes following the summer break. The pupils were really excited to see their friends and teachers again after a long break. The campus was buzzing with energy as everyone eagerly gathered in their classrooms, ready to resume the academic year, filled with learning and growth.

### **TRAINING PROGRAMME ON LEARNING OUTCOMES AND PEDAGOGIES**

A Training session on 'Learning outcomes and Pedagogies', was conducted by CBSE resource persons, Ms Anuja Sharm (Principal, DAV Model School, Chandigarh) and Dr Neeru Arora (Principal, Gobindgarh Public School Mandi Gobindgarh), on July 8, 2023, for the educators of our school and various other schools, who gathered to enhance their teaching skills and learn about the latest educational methodologies. The training session included interactive workshops, informative presentations, and collaborative discussions on learning outcomes of students and pedagogies. Additionally, the renowned guest speakers shared their expertise on the latest education trends and best practices. It provided an opportunity for educators to exchange ideas and collaborate with colleagues from different schools, fostering a supportive and enriching learning environment for both teachers and students.

## **OVERCOMING THE OBSTACLES**

Three days after we started the school, natural disasters in Himachal Pradesh made it difficult for us to continue offline instruction, so we had to switch back to online mode of instruction. Even the students, at this point, were aware of the circumstances, and attendance was at 90%. We resumed the offline classes after one week, from July 17, 2023.
