CELEBRATING NATIONAL PHYSICS DAY

TOPIC: WHY STUDY PHYSICS?

National Physics Day is celebrated on April 24 every year to mark the birthday of Sir Isaac Newton. On this occasion the Science Department, Sri Aurobindo Public School organized a talk with Prof. Manmohan Gupta, Emeritus Professor, Department of Advanced Study in Physics, Punjab University, Chandigarh. Besides holding prestigious designations in various organizations of high repute, he is also credited with working with Nobel Laureate

Glashow, Harvard University. Over 150 publications in the fields of physics, he has extended his services to the society at large by addressing issues like "Science and Society", "Science and Spirituality", "A journey from macroscopic to microscopic" and "Role of basic science in Engineering".

He encouraged the students to express their curiosity to delve into the physical laws interplaying in all the natural phenomena experienced in daily life. Stressing upon the collaboration, creativity and critical thinking, he embarked upon the true essence of being a science student as well as a scientist. He expressed his admiration for the geniuses in the students during the interactive phase of the event; the questions asked by the students as well as the answers that they provided to his tricky thought-provoking questions.

As the programme ended on a high note, Col KS Randhawa, Director and Ms. A Nair, Principal, Sri Aurobindo Public School presented a hand painted painting to Dr. Gupta as a mark of respect towards him.

BEST HOUSE TROPHY

The session 2022-23 ended with the "Best House" trophy, which was won by the BHAGAT HOUSE. The Principal handed over the rolling trophy to the Captain & Vice-Captain of the house along with other house teachers.

NEW SESSION BEGINS FOR NURSERY

Welcoming the little ones to SAPS family is an amazing feeling. When the little steps walked into the campus they not only entered the premises but they stepped into our hearts. The first day of little ones was very exciting for the parents as well as the small kids, who were for the first time leaving the hands of parents to hold the hands of teachers to start their journey of formal education.

April 6, 2023 was the day when our new nursery batch joined us. Principal ma'am and all Co-ordinators welcomed them with open arms. Whole staff, irrespective of any department were on their toes to help them and to make them comfortable. In the beginning, they were little shy to gel up with Class teachers but as the time passed, they got indulged in songs & rhymes and played on interactive boards. At 11:00 a.m. they went back to their homes to come back on the next day.....

NEW LOGO INTRODUCED WITH FLAG HOISTING

The school has redrafted the school logo. It is now used for all official purposes on letterhead, Uniform Shirts, School Diary and The School flag. The New school flag was hoisted on the first day of the school reopening for the new session. Principal Madam unfurled the school flag followed by the School Song.

NEW LIBRARY INAUGURATED

Block VI of the school building houses the new library on the second floor. The new library can now accommodate more numbers of students. Our library hold 7600 books for all age groups of students. A new feather is added to it by providing e-library facility to the students who can utilize this facility after the school hours also.

THEMATIC ASSEMBLIES

The session started with the thematic assemblies based on the role played by the students of classes XA&XB in the morning assemblies. The Students presented the role play based on various themes like Peer Pressure, Pollution, Dramas by Shakespeare like Macbeth and Julius Caesar.
