MONTHLY REPORT

OCTOBER 2022

INITIATIVES BY SAPS-THE BHARAT SCOUTS & GUIDES, HIMACHAL PRADESH

Scouting is a global youth movement that builds friendships, experiences and skills for life and thereby shaping young people's futures as active citizens. Scouting mobilises young people to take action towards what improves their lives and enables them to become advocate of positive change. The World Organization of the Scout Movement (WOSM) and World Association of Girl Guides and Girl Scouts (WAGGGS) initiatives are a driving force for peace, sustainable development in communities and to enable young people to reach for their potential as responsible citizens of the world.

Six students had gone to attend the training programme from 26 October till 31st October at Rewalsar (Mandi) Himachal Pradesh. They were trained on various aspects of NCC. The children had good exposure to different activities.

INTERSCHOOL BUSINESS COHORT 22-23

An Inter school Business Cohort was organised by Shemrock School , Mohali on 11&12 October 2022. Various competitions like Business quiz, Debate and Advertisement making competitions were organized. Around 18 schools participated in this competition that lasted for 5 hours. It was a 3 round competition which covered the questions related to business history, personalities, logos, punchline, tagline, brand ambassadors, current affairs, stock market, investors, etc. There were 2 participants in each teams. Our students got exposure to various kinds of activities and got motivated to upgrade their knowledge and skill to compete with other schools .

SAPS EXCELS IN CHILDREN SCIENCE CONGRESS

The HP State Council for Science, Technology & Environment (HPSCST&E) is promoting the scientific and technological innovations among the school children in the State so as to bring out the hidden talent in the young minds. It provides forum for the children between 10-17 years of age to undertake study in their locality by applying the methods of science under the prescribed theme. The outcome of the study is presented through project reports along with

posters at different levels of CSC. In this programme, emphasis is laid on learning by doing and on field projects to be undertaken by children under the guidance of teachers. The programme has been successful in creating interest in science among students & teachers. Up to District level, the programme is organized by the Department of Education, through Deputy Director (Education), Science Supervisors/Science consultants as per the programme guidelines. However, the students are selected for National Level CSC at State Level Science Congress.

Children Science Congress was organised at sub division level at GSS School Brotiwala on 17, 18 October 2022 where our students participated under all the three categories (Junior, Senior and Senior Secondary) for Science Activity corner, Quiz, Maths Olympiad, Innovative Model and they performed very well. We also received prizes for Quiz, Innovative Model and Math Olympiad.

- **First Prize in Innovative Model**
- **Second Prize in Quiz in junior category**
- **Third Prize in Quiz senior secondary category**

Giving exposure and Participation in the scientific activities enhances the scientific skills of the students and gives them exposure to think critically and find out solutions to their day to day problems.

SCHOOL INNOVATION COUNCIL AT SAPS BADDI

CBSE in collaboration with the Ministry of Education's Innovation Cell and AICTE (All India Council for Technical Education) invited schools for training teachers as 'InnovationAmbassadors' starting from the third week of May 2021 under the 'InnovationAmbassador Program'. Under the Program, the teachers were to be trained on the following four modules:

1. **Design Thinking & Innovation**
2. **Idea generation & Ideal hand-holding**
3. **Intellectual Property Rights**
4. **Product / Prototype development**

Through the 'InnovationAmbassador Program' CBSE had envisaged to train 50,000 teachers from all CBSE schools as 'InnovationAmbassadors'. This Program was offered free-of-cost to all CBSE schools.

Launch of the Innovation Ambassador Program was scheduled on 13th May 2021. The first batch of the first module of the program, Design Thinking & Innovation started from May 17, 2021.

SAPS registered 5 teachers for the programme. All five teachers including the Principal (SPOC for the training) have successfully completed 72-hour training and certified Innovation Ambassadors after online evaluation. This has led to the establishment of School Innovation Council in the School. The School will now be able to access the activities conducted by AICTE, including various

Hackathons. The teachers who are trained as Ambassadors will be able to help students in design thinking, idea generation and if found appropriate for applying for patents.

BOOK FAIR HELD AT SAPS

Scholastic Book Fair is the most loved and best known venue for motivating kids to read more. Discover & browse through a wide treasure trove of age appropriate selection of books. Self-selection ignites a passion for reading in kids and creates an engaging experience!

A book fair was organised for the students of Classes I to V on 12 October 2022 in the school premises. The fair was inaugurated by Dr. Anita Kaul (Chief Coordinator). It saw an overwhelming response from students and parents who had come to attend the PTM. A wide range of books from all disciplines of education was displayed, and fiction saw the greatest takers.

INTERHOUSE MUSIC & DANCE COMPETITION

Students mesmerise at inter-house music & dance competition

Dancing is the loftiest, the most moving and the most beautiful form of arts, because it is not just a mere translation or abstraction from life, it is life itself

Music, songs, and dance help in shaping our personality. Considering the importance of this 'food for the soul', SAPS Baddi, organised an Inter-House music and dance competition on October 21, 2022 in Assembly ground for the

students of classes IV to XII, who enthralled the audience with their mesmerising performances. The amazing show of talent was appreciated by the judge Ms Shruti Gupta renowned Kathak dancer, who motivated them to continue their efforts to excel in all spheres. In her speech, she reiterated that music and dance have a healing impact on one's mind and soul and for young learners, music can be a resource for developing one's cultural identity. The vivacious dancers set the floor on fire with

INTERHOUSE MUSIC & DANCE COMPETITION

their energetic performances and this was a reflection of their passion and hard work. The choreography, rhythm, synchronization and presentation of all the students were very good.

Bhagat House lifted the trophy by standing first amongst all the four houses.

The judges congratulated the winners and appreciated the performance of all the children and also encouraged them to participate more in such competitions to enhance their talents. This competition presents an opportunity to a wide number of students to display their talents. The event was a huge success!

INTERHOUSE RANGOLI COMPETITION

Rangoli, an artistic celebration of colours, reflects traditions, folklore and practices that are unique in themselves. The vibrant colours and designs, in all their glory, also lend a festive and joyous spirit. Therefore, to promote this traditional art form amongst our students, an Interhouse Rangoli making competition was conducted in School on 22 October 2022. Six students from each house were selected and they had to make a Rangoli based on the theme of what their house stood for in a time duration of 1 hour and 15 minutes.

The four Houses had their teams of

enthusiastic artists, from classes XI and XII, all ready to display their expressions and creativity through colours. Soon the entire corridor was bedecked with exquisitely delightful patterns, unleashing the hidden talents of our young masters.

The competition was judged by Ms. Ruchi Sharma, a fine arts teacher from Eicher school Parwanoo.

The winner of the competition was Sarojini House followed by Subash, Bhagat and Tilak house respectively.

CAREER COUNSELLING SESSION CONDUCTED AT SCHOOL

A career counselling session of classes IX, XI was conducted in the Multimedia Hall by Ms Surbhi Thakur on October 29, 2022

The students were apprised of UPSC- how to prepare for it and what are the career prospects ahead was taken by Janvi.

A session on how to file IT returns by an Individual was conducted by Mr. Raju Mishra (Accountant). The session included all points on Income, taxable income, Tax saving, Deductions available, slab rates, sections, Form 16 . The session was very useful as a practical on filing of IT returns was actually demonstrated to students.

CALENDAR ACTIVITIES

The calendar contains week-wise plan consisting of interesting and challenging activities, with reference to theme/chapter taken from syllabus or textbook. Most importantly, it maps the themes with the learning outcomes. The purpose of mapping of themes with learning outcomes is to facilitate

teachers/parents to assess the progress in the learning of children and also to go beyond textbooks. The activities given in the calendar focus on learning outcomes and can thus be achieved through any resource including the textbooks that the children are using.

SCHOOL TRIPS – THE MOST MEMORABLE PART OF CHILDHOOD!

SAPS organized a picnic for Kindergarten students on 20-10-2022 to SiswanCamp-Will-O-The-Wisp Resort in the Foothills of the Himalayas

One of the best memory, we carry of our school life is certainly the school trips and picnics which were full of fun and learning. As students, children are bound by a number of rules, do's and don'ts. These rules and restrictions are important for the overall development of a

child, It is also very important that once in a while they are let off free to explore and experiment. School trips provide children an opportunity to come out from the confines and groom themselves to get ready to face the challenges of life alone. School trips add significantly to the overall personality development of a child and bring out their inner qualities like leadership, team building, trust, and respect. When a child comes out of the protected home environment for a school trip, there is also a sense of responsibility and belongingness that emerges, which is important to build a strong personality of a child.

Apart from the fun, school picnics also have a lot of learning coming out from them. Students are exposed to the world outside their homes and classrooms to learn about nature, man-made wonders, heritage, arts and science, languages, and culture. School trips that involve adventure activities and sports can

SCHOOL TRIPS – THE MOST MEMORABLE PART OF CHILDHOOD!

Saps organized a trip for Classes 3-8 to Shivjot Resorts on 29th October, 2022

become the foundation of future interests in children. Such activities help children explore sports beyond phones and tablets thereby inducing physical activity that eventually helps them stay healthy. Walks, treks and other adventure activities also help in addressing issues like childhood obesity which is currently on the rise.

THEMATIC ASSEMBLIES

Assemblies are a medium to enlighten the young minds and channelize the thoughts, feelings and expressions into an ideal direction. They help to imbibe within the students the values and morals necessary to lead a balanced and disciplined human life. Various performances in the school assemblies motivate the visual and audio skills thus laying a deep impact on the psychology of young learners.

The school has designed the morning thematic assemblies with a view to ensure 100% participation and giving an exposure to each and every child to showcase his/her innate abilities and to nurture their talent and skills. All the students try to perform to the best of their abilities.
