TEACHER'S DAY CELEBRATION: HONOURING THE GUIDING LIGHTS

Teacher's Day celebration is a reminder of the pivotal role teachers play in students' lives. They not only impart knowledge but also instill values, build character, and inspire students to reach their potential. This celebration is a small token of gratitude for their ceaseless efforts for the students.

The day unfolded an exuberant celebration, filled with fun, games, laughter and timeless memories that we made with each other. Handwritten Teachers' Day wishes, presented in cards and letters, holding sentimental value, were given by the students which will remain cherished mementos of the strong bonds between us and students.

Capacity Building Programme on
“Happy Classrooms”

THERE'S NO SUCH THING AS A PERFECT PICTURE!! FUN AND GAMES

Stress is a commonplace word and has to be dealt with utmost care, especially among the students who are yet to step into the real world. Mr. Ravi Sharma was the resource person for a group of 58 registered candidates for the Capacity Building Programme on “Happy Classrooms”. The day long training programme, from 8:30 AM to 4:30 PM, encompassed active discussions and activities related to strategies to keep the classrooms stress free and buzzing with fun activities. Trainee teachers prepared posters on major factors that make the classes difficult to manage. The reasons were reflective in the sense that they were all internal factors: personal beliefs, attitudes and so on. Teachers’ role in identifying these difficulties and catering to them was discussed in detail.

The session ended with Ms. Anila Nair, Principal, SAPS, presenting a potted plant as a mark of gratitude to the resource person with a vote of thanks.
