New session commences for Nursery

Welcoming Nursery Kids

Welcoming the little ones to SAPS family is an amazing feeling. When the little steps walked into the campus they not only entered the premises but they stepped into our hearts. The first day of little ones was very exciting for the parents as well as the small kids who were for the first time leaving the hands of parents to hold the hands of teachers to start their journey of formal education.

April 6, 2023 was the day when our new nursery batch joined us. Principal ma'am and all Co-ordinators welcomed them with open arms. Whole staff, irrespective of any department were on toes to help them and make them comfortable. In the beginning, they were little shy to gel up with Class teachers but as the time passed, they got indulged in songs and rhymes played on interactive boards. At 11:00 a.m. they went back to their homes to come back on the next day.....
