

# Mother's CAMPUS Reporter

(Newsletter of Sri Aurobindo Public School, Baddi, H.P.)

The school  
dedicates  
this poem to  
Mr S P Oswal

You inspire us to set new standards  
for ourselves and reach new heights.

You are a great visionary, for you elevate us  
think noble thoughts, and work with our hearts.

Your concern and compassion, teach us  
have a listening ear, for those under your care.

You teach us to have,  
courage and fortitude in times of adversity.

Your wisdom and knowledge  
ignite in us the passion to be learners for life.

You model for us the values of  
implicity and modesty for one's achievements.

For you are a great teacher,  
and a source of enlightenment for us all.

Mr S P Oswal being conferred the Prestigious Padma Bhushan by the honourable President of India

Mr S P Oswal being conferred the Udyog Ratna by the honourable Finance Minister of India at Panjab University

Col P S Choudhry GM (Edu. & Admin) paying floral tributes to Mr S P Oswal on his having been awarded the Prestigious award by the Hon'ble President of India and Udyog Rattan at Panjab University by the Hon'ble Finance Minister of India.

Sir, we salute you on  
your great achievement

Mr. S.P. Oswal was born in 1942. He holds a Masters Degree in Commerce with Gold Medal from Punjab University, Chandigarh. The phenomenal growth Vardhman Group has achieved in the last four decades has been possible solely because of his charismatic leadership. The Group employs about 23,000 people and its presence is felt throughout India. Vardhman Group today has the largest yarn manufacturing capacity in the country with over 8,00,000 spindles. It also has one of the largest fabric weaving plants and also has one of the most modern state of the art fabric processing facility in the country. Apart from this he had even set examples for others and hence has helped in rapid industrialisation during the post liberalization period.

One of the social achievement of his career is the first village cluster adoption programme. Mr. S.P. Oswal's initiative to improve the yield of cotton in Punjab in 2001 when the State had suffered a crop devastation and the area under cotton cultivation was dwindling, he adopted villages to see whether concerted efforts in bringing knowledge to farmers could improve the yield of cotton. The experiment was successful as it improved the yield of cotton in the State of Punjab.

Mr Oswal believes in the power of youth. He believes if the youth equipped to be self-reliant could build up a career on merit. Training programmes for the youth of socially under privileged students are being run for the last three years. As a result, nearly 140 students have got employment, Fourth such a programme is being run currently.

Mr Oswal believes that every corporate house has a social responsibility. This commitment towards the society has resulted in setting up of educational and research institutions in Ludhiana, Baddi and a new school is proposed at Budni in Madhya Pradesh. He believes education is incomplete if assessment of a student is limited only to the marks obtained. Drawing the philosophy of Sri Aurobindo, he initiated practices for the introduction of holistic development of human beings. This principle is religiously followed at Sri Aurobindo College of Commerce and Management in Ludhiana and in Sri Aurobindo Public School, Baddi.

We are grateful to the visionary who has made us scale new heights in the field of education and enabled us to build leading institutions in Baddi & Ludhiana. We stand united in our commitment to his ideals and reiterate our dedication to his vision.

Congratulations on his great achievements

**Anila Nair**

## From The *Editors' Desk*

Another academic session has drawn to a close adding many feathers to our cap. The school has grown to a strength of 800 students. It has been upgraded to Senior Secondary Level in Commerce Stream. The construction for the new block to accommodate Science Labs has just begun and in the next academic session the school will be upgraded to Senior Secondary Level in Science Stream also.

During her address on the Annual Sports Day, the chief guest Mrs. Mamta Choudhary, IAS, CEO, BBND A said, "The search for a good school in Baddi is over. Parents can now be relaxed that there is a place where they can find quality education for their students in the industrial town of Baddi." These words bring out the essence of the success we have achieved in the past and our determination to scale new heights in future. The school has not let any stone unturned in gearing up to the changes

occurring in the field of education. As our Chairman Padma Bhushan Mr. S.P Oswal believes, training provides continuous learning and continuous learning is the mantra for the development activity. Therefore SAPS is perhaps the only school in the region which conducts numerous training programmes for its teachers.

Our mission has been to build holistic development of a child. He must not only excel in academics but also develop his lateral talents and communication skills. The school has increased its focus on physical education and medical check-ups are conducted at regular intervals to make sure that our students remain physically fit. They are taken out for tours to enhance their knowledge about various parts of our country. Industrial visits are conducted to update them to the latest technology. All the activities of the past one year have been compiled and presented in this issue.

“ A year replete with events that showcased,  
 Our commitment to holistic education.  
 We rode the crust with activities galore.  
 Even though the tide has ebbed,  
 The sound of the waves still resounds. ”

# Spirit of Festivity

## Independence Day

'Ask not what the country can do for you, ask what you can do for the country'. On the 63rd anniversary of our Independence, the students and fraternity of SAPS pledged to carry forth the war to attain freedom in letter and spirit. The spirit of Independence was aptly conveyed by our young ones who presented various dances performed on patriotic songs.

## Teacher's Day

*Teachers are our unerring mentors and guides.*

A short activity oriented assembly commenced with a short speech by the Principal Dr. (Mrs.) Parminder Duggal. The excitement of the function culminated in a fun dance followed by the songs and skits. Tilak ceremony was performed and fun games for the teachers were arranged.

Honouring the teachers on Teacher's Day

Teachers & Students enjoying the dance

Chacha Nehru remembered

# Children's Day Celebration

This year Children's day celebrations were different as our respected Col. PS Choudhry presided over the function along with other dignitaries .Dr. Nidhi Gupta (M.D. Gyne) was the chief guest. Col. PS Choudhry addressed the children and stressed the point that every individual has his/her capabilities. The enthusiasm of the children while participating in Fancy Dress was also an indication that such exposures generated extraordinary confidence in them.

Fancy dress show by classes I to III

## Janamashtami

*Let us remain connected  
to our roots*

Recreating Raas leela

Primary class in Raas Leela dress

# Guru Purab Celebrations

Birthday of Guru Nanak Dev Ji was celebrated in the school. The children and the teachers sang the shabad in praise of the God.

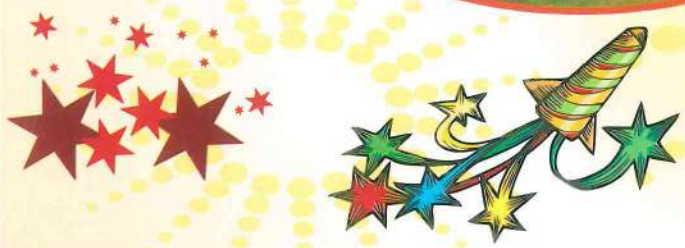

Students singing shabad

Seeking His blessings

## Festival of lights Diwali Celebrations

A special assembly was conducted in SAPS to usher in the spirit of Diwali among the students. The Principal and Col.P S Choudhry brought out the importance of Diwali in our culture. Later the small children burst the crackers in the supervision of the teachers and the senior children.

# Christmas Celebrations

*Birth of Christ and Spirit of festivity*

Christmas was celebrated with great joy in SAPS on 25th of Dec. 2009 with a variety of events. The most joyous part of the event was the presence of our guiding force General Manager Col. PS Choudhry. He enjoyed the decorations and later met Santa and enjoyed his company. The children were happy to see Santa and were eager to shake hands with him. The assembly ended with the distribution of sweets.

# Inculcating Patriotic Feeling

## Republic Day Celebrations

'We are proud to be Indian. No where was the spirit more manifest as in the Republic day celebrations organized by the students of SAPS on 26th Jan. 2010. Our Principal urged the students to remind themselves of their responsibility as citizens of the country.

Students marching towards success

Flag hoisting by the Principal

### Adding Strength to the Management Committee

Maj. Gen. O.P Parmar had retired as Head of Education Corp of the Indian Army. He has rich experience in running educational institutional as well as in formulation of educational policies in the Army. After his retirement he was given the responsibility to manage 23 CBSE/ICSE schools located in various parts of United Arab Emirates.

Air Cmdr S.K Sharma also retired from Education Corps of Indian Air Force. Of the total 32 years in the Air Force, he spent six years as Principal of Sainik Schools and later six years as the Principal of YPS Mohali . He has specialized in ICSE system of education.

# Scaling New Heights

SAPS added a new milestone to its history on 10th October, 2009 as the Chief Minister of Himachal Pradesh Hon'ble Prof. Prem Kumar Dhumal inaugurated the new block i.e. Block 2. It comprises of Computer Lab, Multimedia Room and Commerce Block. The Chief Minister congratulated the management, staff and students of SAPS on moving a step further towards the vision of Sri Aurobindo of providing learning through experience. He commended the management's efforts toward providing quality education.

## *Bhoomi Poojan*

*for Construction of 3rd Block (Science) on 21st Feb. 2010*

The New Block will house three separate labs for Physics, Chemistry and Biology. SAPS will be upgrading itself to +2 Science from the session 2011 - 2012.

Col. P. S. Choudhry and Dr. Duggal laying the foundation stone for the new building

# Sports Day

*"The essential thing in sports is not to have conquered but to have fought well"*

The most memorable event in 2009 calendar of SAPS was the SPORTS DAY. The 22nd December saw happiness in every nook and corner of SAPS and our ground looked more beautiful than ever. We were honoured with the gracious presence of C.E.O Mrs. Mamta Choudhry I.A.S of B.B.N.D.A.

The guest of honour was Mr. I.M.J.S.Sidhu Executive Director, Vardhman, Group of Companies Baddi Units. The ceremony started with welcome speech and school report by the Principal of the school. There were finals of all races like 100mts.race,Relay races. Three legged races, Sack race, lemon spoon race for KG section and many others.

The amalgamation of dances from all over the country was witnessed amid exclamations of wonder and praise. The grace and perfection with which the students danced was remarkable as they synchronized each movement and moved their bodies to the beats of music. It was indeed a marvelous feat achieved just in the space of one month. It was almost a month of rigorous practices as the students stayed back in school, perfecting their movements.

The field came alive as the dancers feet treaded the cold, hard ground. A chill in the air but a smile on their faces. The first performance was the Hat and stick dance followed by the finals of athletics. The hon'ble guest of honour Mr. I.M.J.S. Sidhu gave away the prizes and praised the children for putting up the best show. The closing ceremony started with the most beautiful dance of Maharashtra called Lazium. The dance fever was truly spreading like wild fire and even got the Parents tapping their feet and humming under their breaths. Next came the students of VIII&IX adding a high note to the day as they presented Assamese dance followed by dandia, shimmer, ball & umbrella dances.

Though the show is over, its memories will stay for ever in the minds of students and parents. They experienced dancing not as a form of art but as life itself.

The icing on the cake was that sports day saw mass participation of about 712 students, a majority of them participating for the first time.

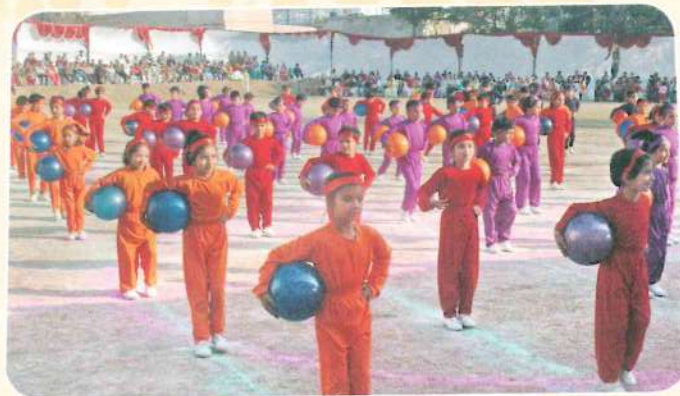

*“Our students from Himachal remain connected with the Indian main stream”*

The new Council members with the Principal Dr.(Mrs.) Parminder Duggal

## **They are our pride - The out going Class X**

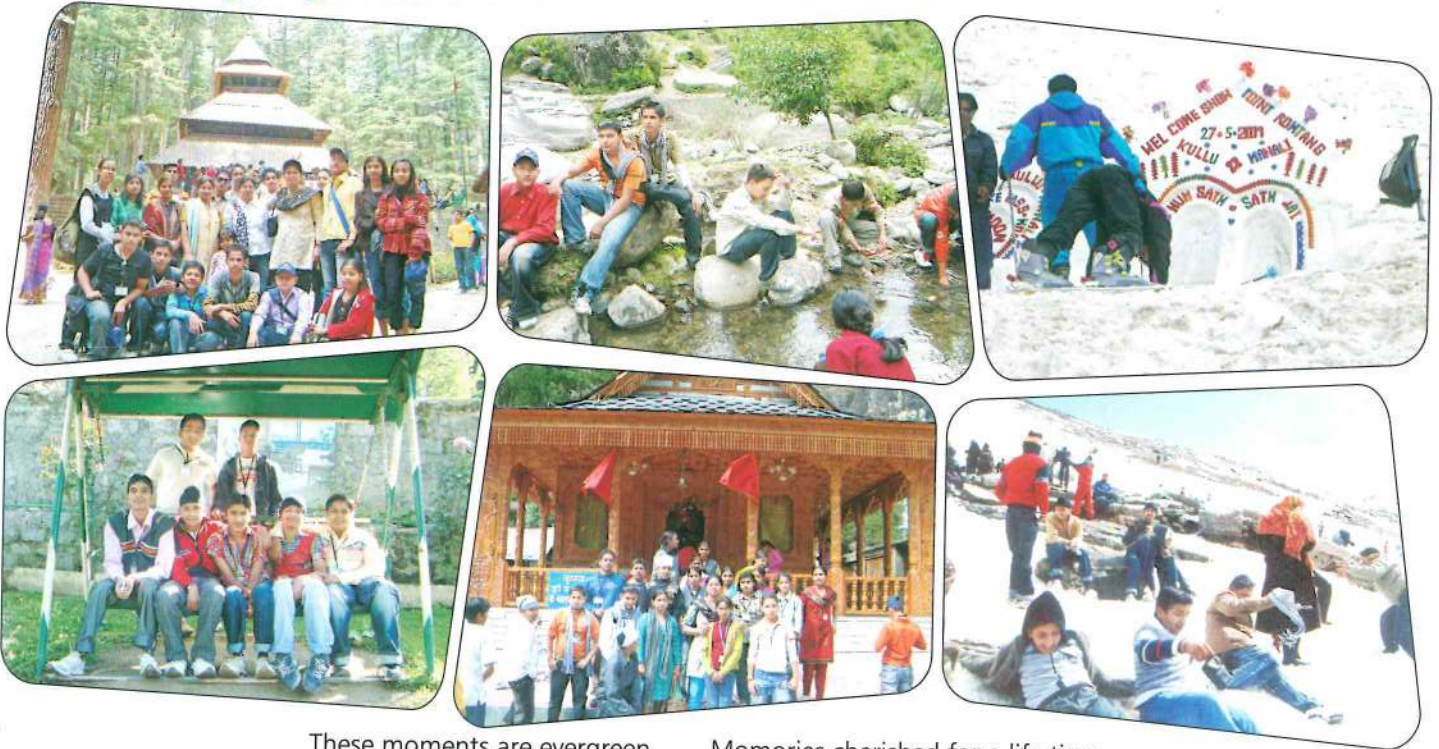

The Tilak Ceremony- "There Shall be Showers of Blessings, This is the promise of love"

# Manali Magic : Direct Experiences

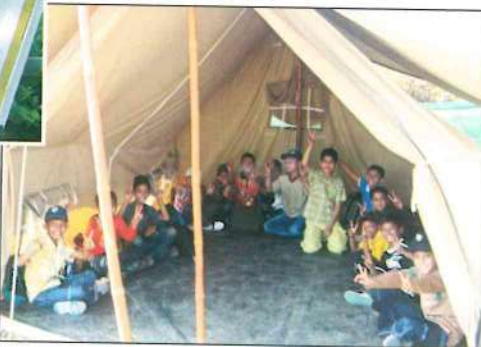

The school had organized a 4day - 3 night tour to Kullu - Manali -Rohtang Pass. It was a first time experience for most of the students who had never travelled alone. They enjoyed the company of their friends, learned to organize and help each other, developed a sense of togetherness and beyond all witnessed the striking grandeur of the Himalayas. Rohtang Pass was the most thrilling experience of the tour. The tour team had a trekking day out in Manali along with a visit to the Manikaran shrine.

## In the lap of nature

These moments are evergreen ..... Momories cherished for a life time

## Fun & Learn

## A day out in Chhatbir

The junior classes had their day out in Chhatbir Zoo, Zirakpur. It was a fun filled picnic along with an opportunity to learn about the wild life.

Children of classes III-VI learning life skills under expert guidance in Siswan Camp

# Fare well SAPS

The Crowned glories

As our school career draws to an end  
 We 're studying so much,  
 we're being driven around the bend  
 The pressure's so bad, we feel as if we 'll burst  
 It's just a question of who 'll crack first.  
 For, apart from the studies, we have another fear  
 The fear that the time has come ,to go further from here  
 It's time to leave the shelter and go away  
 To tread own path, to make our own way.  
 Just the thought is enough to make us cry  
 Now these last few days seem to fly by  
 We'll all be parted from one another  
 Teachers from us and We from teacher  
 Perhaps we'll never see each other again  
 Perhaps our busy lives can dull the pain.  
 The pain of saying "goodbye" and "keep in touch"  
 The pain that sears our heart is just too much.  
 We may not have the time to pick up the phone  
 The distances between us may have grown  
 Or, we could see each other once in a ten years  
 Such a situation is one of my greatest fears.  
 But the future is Known to none  
 What tomorrow may bring knows no- one  
 For who knows, and who can tell?  
 When, to whom, we must bid farewell

*From 10th class students*

# DESIGNED FOR SUCCESS

**Our young achievers** They have started shaping their dreams with reality and are addicted to growth. Kudos to their distinct pursuits, widely divergent talents.

*For us Ma'am*

*(Dr. Mrs. Parminder Duggal) is...*

An inspiring leader, a thinking person blessed with true beauty of the face, head and heart. She is a person who we can learn a lot from, somebody who inspires us to tap our potentials. She is a pillar of strength who constantly motivates us to achieve higher goals. She is the personification of achievement. Since her joining, we have found her to be most enterprising, dynamic and a progressive leader in her field.

We wish her all the best for her future endeavors and promise to extend our unconditional support in taking this school to new heights. It is really a pleasure to work under her.

From all the teaching Faculty & Adm. Staff.

## Continuous and Comprehensive Evaluation

A very famous Chinese proverb says "Learning is a treasure that follows its owner every where." To acquire such education a child has to experience each and everything that he learns. If he does not learn through experiences, but just read books he may not be able to retain that for long. The larger context of education is to prepare futuristic citizens for a meaningful and productive life in a globalised society. There is a dire need to strengthen the education system even more so in a pluralistic society while addressing a heterogeneous group. Understanding the necessity of such a change in the field of education CBSE has introduced a new system of Continuous and Comprehensive Evaluation.

The CCE scheme aims at evaluating a child in a holistic manner. The proposed Certificate of School Based Assessment for Classes 9th and 10th is divided into three parts. Part 1 consists of Scholastic areas. The academic performance of the learner in the classes 9th and 10th will be reflected in the form of grades. Two terms have been suggested during a year, term 1 from April to September and term 2 from October to March for classes 9th as well as 10th. Each term will carry two formative and one summative assessment. The grading scale for scholastic domain is a nine point scale based on direct grading. Part 2 comprises of co-scholastic areas which includes Life-Skills and attitudes and values. A five point grading scale for assessment in Life-Skills and a three point scale for assessment in attitudes and values has been proposed. Part 3 consists of co-scholastic activities which include participation in Literary, Scientific, Aesthetic and Club activities. Second sub-section under this head includes Health and Physical Education. It has been proposed to assess the students on a three point scale in all these areas.

## SAPS - Gearing up for the change

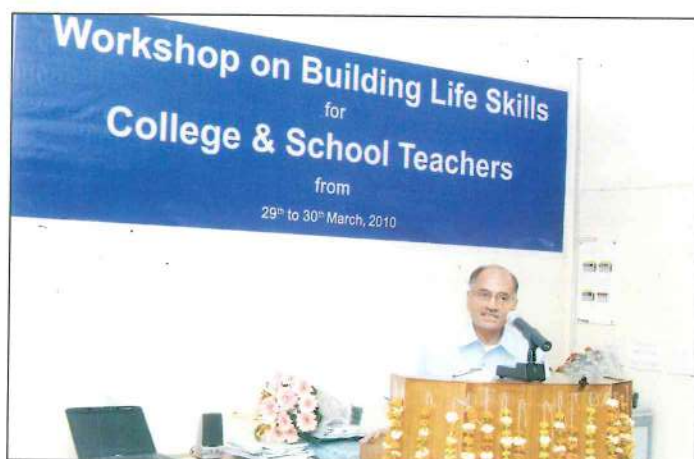

SAPS has always been in the forefront as far as change is concerned. The Proposal of CCE introduced by CBSE is an extended vision of Sri Aurobindo and Mother who had already propounded holistic education around 6 decades before. We have been following a system which is activity based and helps a child to bring out his inherent talents. The teachers have been trained for dealing with the changes and they have been equipped to face the new challenges in the field of education. From the current session we are extending this to language education with the introduction of Supplementary reading material in English language. As per the guidelines of CBSE various visits to Heritage sites and Club activities will commence from April 1. We have been organizing various competitions with a view to shape the overall personality of our students and credit lies in the fact that participation has always been hundred percent.

No child in the School is labelled as dull or incapable, as we realize that every child is a gift of nature abundantly packed with talents. Our mission is to instill in them the values of being a responsible citizen, a good student and bringing inherent qualitative change in him. "Character may be manifested in the great moments, but it is made in the smaller ones."

# Workshops for Teachers

Special customized in-house faculty development training programme

**Changing Thoughts**

I am a boy, I always think if I was a girl I like cars but I would have liked dolls. I am a boy, I always think if I was a girl I would have liked soft music instead of my rock n roll.

I still like myself as a boy as god have made me what I am and feel.

I am a girl, I always think to be a boy I would have been roaming around leaving away my toys.

I am a girl, I always think to be a boy so that without thinking I could have played cricket with my friends.

But I don't think I need to change my thoughts because this is my life which I am happily enjoying.

— Yamana Jayak  
class - VI

**TREE**

TREE! TREE! TREE!  
YOU ARE FREE  
YOU GIVE ME PURE OXYGEN  
YOU SAVE ME FROM POLLUTION  
YOU GIVE ME WOOD  
YOU GIVE ME FOOD  
YOU GIVE ME VEGETABLE AND FRUIT  
SO, WE ARE MAKING TASTY SOUP.

**The Happening SAPS, Baddi**

SAPS is a great school in sports and in games. SAPS site of Baddi are so cool, whether it is dance or books. With girls so dazling and boys so dazling. SAPS is a school whose dreams come true. The teachers are so witty. They make even tricky concepts so easy. Badminton, cricket, basketball, volleyball, SAPS like play and enjoy all. Maths lab, science lab, library. All are the part of a splendid legacy.

Self composed by - Nikita Singh  
Class - VI

**CRYING**

What makes you cry?  
I cry when I am hurt  
And sometimes when I'm sad  
I cry when I get punished  
Because I've done something bad.

I cry when I am angry  
(That means when I'm mad)  
But guess - if I were like funny  
Mummy cries when she is glad.

**JOKE**

Once there was a quarrel between a Maths and a Hindi teacher. The Hindi teacher said, "I will let loose the whole English story on you unless you say my motto." "I will let loose your story on to brackets and multiply it with you."

Shreya III

**TUN GRAMMAR HOUSE**

NOUN - is the father  
VERB - is the mother  
PRONOUN - is the elder son who takes the place of the father or mother  
ADVERB - is the youngest son who is always sitting at the mother's side  
ADJECTIVE - is the youngest daughter who is on the mother's side  
CONJUNCTION - is the grandmother who is in the middle between adverb and adjective  
PREPOSITION - is the grandchild who is in the position of the grandchild

## Team Work

Team Together everyone achieves more.

Talent wins games, but teamwork and intelligence wins championships.

Teamwork is no accident. It is by product of good leadership.

We will try to create conditions where persons could come together in a spirit of team work, and exercise to their heart's desire their technological capacity.

The achievement of an organization are the result are a result of combined effort of each individual.

There's a thread that binds all of us together, Pull one end of the thread, the strain is felt all down the line.

Individuals play the games, but team win championships.

## School Ethics

Come to School in the morning on time  
then go for prayer in a line.

You must be always clean and  
neat wish all the teachers whom you meet,

Complete your class work everyday

During the class you must not play,  
Never Throw waste papers on the ground

give in the office, what is found

Be truthful, honest, kind and help others  
Discipline Yourself and obey your teachers

Give love and respect to everyone

You will always receive it in return

Study be a good student of your school

## Recipe for Success

Ingredients :

Hard Work : 1 Litre

Motivation : 1 litre

Humour : A pinch

Patience : lots of it

Confidence : 1tbsp

Aim : According to taste

Information : As much as needed ( Cook in a talent  
bottomed mind on the slow fire of focus)

**Method :**

Step : Grease the pan called mind with as much  
information as possible about aim.

Step 2 : Put in the aim and hard work. Mix well with  
patience light the fire of focus.

Step 3 : Add confidence and motivation, stirring briskly  
all the while.

Step 4 : If ingredients curdle, add humour according to  
taste

Step 5 : Pour into Pudding Bowl when the sweet smell of  
success starts to tickle your appetite

Step 6 : Cool it.

## Three Nice Stories that inspire

1. Once, all villages decided to pray for rain, on the day of  
prayer all people gathered and only one boy come with  
umbrella. THAT'S FAITH

2. Example of the feeling of a 1 year old baby, when you  
throw him in the air, he laughs because he knows you will  
catch. THAT'S TRUST

3. Every night we go to bed we have no reason to wake up  
alive the next morning but still we have plans for tomorrow  
THAT'S HOPE

By : Rupinder  
Class VII

## Our planet

The world is finite, resources are scarce,  
Things are bad and will be worse hand is sinking,  
seas are resign Man is far too with man to fan its  
soon we'll have a plunderer planet. Don't be so  
scared, Hope is not dead.

So save planet  
we all are still left

## GOAL

Goals Should be smart :- S-Specific, —  
Measurable, Assignable, R-Realistic, T-  
Time related

You are never too old to set another  
goal or dream a new dream.

To win is to select a goal, determine a  
course of action that will bring one to  
that goal, and then hold to that action  
till the goal is reached. The key is action.

We must walk consciously only part way towards our goal,  
then leap in the dark to our success.

Goals are simply tools to focus your energy in positive  
directions, these can be change as your priorities change, new  
one added and others dropped.

Without goals, and plans to reach them, you are like a ship  
that has set sail without destination.

If you want to reach a goal, You must see Yourself reaching it  
in your own mind before you actually arrive at your goal

## A Winner and A loser

A winner has a plan

A loser has an excuse.

A winner is a part of the answer.

A loser is a part of the problem.

A winner says, " let me do it for you".

A loser says, " that's not my Job".

A winner always sees an answer in every  
problems.

A loser always sees problem in every answer.

## A Winner and A loser

A winner has a plan

A loser has an excuse.

A winner is a part of the answer.

A loser is a part of the problem.

A winner says, " let me do it for you".

A loser says, " that's not my Job".

A winner always sees an answer in every  
problems.

A loser always sees problem in every answer.

## Credibility is amount of Trust

That has been built up through courtesy,  
bindness honesty and beeping commitment.

The Road to success is always under  
construction

## Smile

It is easy to be pleasant,  
When life flows like a song,  
But a man worth while is the one who' ll smile,  
When everthing goes dead wrong.

By : Utkarsh Bajpai

## सफलता के सूत्र मंत्र

हर विद्यार्थी परीक्षा में सफल होना तथा अधिक अंक प्राप्त करना चाहता है, उसके लिए अपनाएं

1. अनुशासन और टाइम मैनेजमेंट : खेलने व पढ़ने के समय का विभाजन व उस का पालन ।
2. अपनी कमजोरी व ताकत परखें : तीव्र स्मरण शक्ति का अनुभव करें, कमजोरी पर विजय प्राप्त करें ।
3. स्वयं को मोटिवेट करते रहें : लक्ष्य प्राप्त हेतु तत्पर रहे, सदा सोचें, कि आप में एनर्जी है ।
4. पढाई के उपरांत पनारावृत्ति से अनिवार्य : पनारावृत्ति से ज्ञान मन के कम्प्यूटर में अंकित हो जाता है ।

## अनमोल वचन

1. जो व्यवहार हमें पसंद नहीं है, उसी प्रकार का व्यवहार हमें दूसरो के प्रति भी नहीं करना चाहिए ।
2. जिस मनुष्य में आत्म विश्वास नहीं है वह बलवान होकर भी निर्बल है विदवान होकर भी मूर्ख है ।
3. उलझनों से भागना नहीं चाहिए। उलझनों को सुलझाने से मास्तिष्क को शक्ति मिलती है ।
4. जो मनुष्य अपने क्रोध को अपने ही उपर झेल लेता है वह दूसरो के क्रोध से बच जाता है ।

## श्री मां

गीता का फ्रांससी अनुवाद पढकर अपने जीवन की दिशा बदलने वाली फ्रांस में जन्मी मीरा श्री मां १९१४ में भारत के पंदिचरी में आईं। उनका कहना था कि प्रत्येक प्रभात एक नई उन्नति की सम्भावना लाता है। मां कहती हैं कि सत्य एकत्व में है न कि विभाजन में भारत ही उनकी आस्था और अंत कर का देश है श्री अरविंद की अभूतपूर्व शिक्षाओं को मूर्त रूप देना ही उनके जीवन का लक्ष्य रहा। उन्होंने संदेश दिया कि शब्दों में सत्य, संकल्प का होना मानव को ईश्वर के करीब लेकर आता है।

## व्यवहार ही चरित्र का गवाह है आचरण ही मानव को श्रेष्ठ बनाता है

चरित्रवान व्यक्ति का अंतर शुद्ध और स्वस्थ होता है न्याय का समर्थन और अन्याय का विरोध करना चरित्रवान व्यक्ति की विशेषता होती है। एक चरित्रवान व्यक्ति में आत्मविश्वास कूट कूट कर भरा होता है। एक चरित्रवान व्यक्ति के लिए मानसिक रूप में सजग होना आवश्यक है। अच्छी और बुरी आदतें भी चरित्र निर्माण का कारक हैं। जैसी बुद्धि जैसा ज्ञान और जैसी परिपक्वता होगी रूप में वह व्यवहार में परिलक्षित होगी। चरित्र निर्माण के लिए दंड व पुरस्कार प्रभावशाली व आदर्शों को ध्यान में रखकर व्यक्ति ऐसा दृढ़ निश्चय कर लेता है कि उसे अपना आदर्श किस रूप में ढालना है।

## सच्चा इंसान

जो सच्चाई की राह चले  
जो ईश्वर की अलख जगाए,  
जो दिल में ना रखे भेदभाव  
जो सबके दिल में भर दे प्यार।  
मिलजुल कर जो सीखे रहना  
जो जनहित जीना सिखलाए,  
मानवता कर जो सीखे रहना,  
जो जनहित सिखलाए  
मानवता को राह दिखाए  
वही कहलाए सच्चा इंसान

## कविता

अनुशासन का पालन करना  
हमें सदा है आगे बढना,  
नहीं कभी किसी से लडना  
समय से उठना, समय से पढना,  
और बडों का आदर करना।  
अनुशासन का पालन करना,  
होता इससे हासिल ज्ञान,  
बनता इससे मनुष्य महान,  
युद्ध हो या खेल का मैदान  
गरीबों की मदद करना।  
बच्चों, हमेशा इसे याद रखना,  
अनुशासन का पालन करना

## हंसना मत

एक कंजूस ग्राहक होटल में जाकर वेटर से कहता है जैसे तो सभी चाय पिलाते है तुम फोकट में पिलाओ तो जाने वेटर खाली कप रखकर : भरे कप में सभी चाय पीते है तुम खाली कप से पियो तो जानें।

मां फूल तोडकर लाने को कहा था और तुम पूरी क्यारी ही उखाड लाए। बेटा क्या करता मां फूल तोडना सख्त मना है सभी क्यारियों के पास लिखा था, फूल मत तोडे।
