# Sri Aurobindo

Sri Aurobindo (Aurobindo Ghosh) in 1916.

Name	Aurobindo Ghose
Born	15 August 1872 Calcutta, British India
Passed away	5 December 1950 (aged 78) Pondicherry (Puducherry), French India
Nationality	Indian
Quotation	The Spirit shall look out through Matter's gaze. and Matter shall reveal the Spirit's face.

*"The supreme truths are neither the rigid conclusions of logical reasoning nor the affirmations of creedal statement, but fruits of the soul's inner experience." - Sri Aurobindo*

Aurobindo Ghosh was an Idealist to the core. His Idealistic philosophy of life was based upon Vedantic philosophy of Upanishad. He maintains that the kind of education, we need in our country, is an education "proper to the Indian soul and need and temperament and culture that we are in quest of, not indeed something faithful merely to the past, but to the developing soul of India, to her future need, to the greatness of her coming-self creation, to her eternal spirit."

Sri Aurobindo's (1956) concept of education is not only acquiring information but **the acquiring of various kinds of informations**. He points out, "information is only one and not the chief of the means and necessities of education: its central aim is the building of the powers of the human mind and spirit".

## Aurobindo's Aims of Education

Sri Aurobindo emphasized that education should be in accordance with the needs of our real modern life. In other words, education should create dynamic citizens so that they are able to meet the needs of modern complex life. According to him, physical development and holiness are the chief aims of education. As such, he not only emphasized mere physical development, but physical purity also without which no spiritual development is possible. In this sense physical development and purification are the two bases on which the spiritual development is built. The second important aim of education is to train all the senses hearing, speaking, listening, touching, smelling and tasting. According to him these senses can be fully trained when nerve, chitta and manas are pure. Hence, through education purity of senses is to be achieved before any development is possible. The third aim of education is to achieve mental development of the child. This mental development means the enhancement of all mental faculties namely-memory, thinking, reasoning, imagination, and discrimination etc. education should develop them fully and harmoniously. Another important aim of education is the development of morality. Sri Aurobindo has emphasized that without moral and emotional development only, mental development becomes harmful for the human process. The heart of a child should be so developed as to show extreme love, sympathy and consideration for all living beings. This is real moral development. Thus, the teacher should be a role model to his children so that mere imitation can enable them to reach higher and higher stages of development. Development of conscience is another important aim of education that needs to develop by the help of teacher. Conscience has four levels chitta, manas, intelligence, and knowledge. Sri Aurobindo emphasized that the main aim of education is to promote spiritual development. According to him every human being has some fragment of divine existence within himself and education can scan it from each individual with its full extent.

*The true basis of education is the study of the human mind - infant, adolescent and adult.*  
**Sri Aurobindo**

# Editorial

SAPS works hard to maintain an atmosphere that encourages the practice of honesty, openness, truth, integrity and freedom of expression. These qualities are central to our approach to discipline, discussion, relationship and individual care. Behind the scenes of everyday life at SAPS, there is a remarkable transformation at work. This is the subtle and powerful process in which young lives are shaped and moulded. We can never guarantee success of the process but we strive to create the conditions and the atmosphere in which our mission becomes possible. The legacy of uncompromising standards, the pursuit of excellence and the spirit of love, kindness and care in the SAPS community grows ever stronger and deeper.

The highly developed web of activities is geared towards bringing out the various facets and dimensions in our children's personalities. 'Holistic development' is not just another term at SAPS, it is a fully functional dynamic program.

In this much awaited annual issue of our school magazine, we bring to you an entire coverage of the achievements in the arena of sports, cultural events or academics in the inter school & intra school competitions.

We on behalf of the entire Editorial Board, hope and pray, with our fingers crossed, that this romance with victory carries on & never comes to an end!!

With Warm Regards

# ACTIVITIES

An integral part of a journey through school life is its rich haul of events and activities going hand in hand with its pursuit of academics. Like any other year, the 2012-13 year has also witnessed a large number of events and competitions and an array of cultural events and contests. A lot of perseverance, dedication and efforts by the students and the staff was instrumental in making the year that was, a glorious one. Here are the highlights.....

## SCHOOL ACTIVITIES

### The Nursery Orientation

The Parents and the children of Nursery were extended a warm welcome at the orientation programme in the month of April 2012.

The Principal Dr. Parminder Duggal welcomed the little ones into the SAPS family and advised the young parents to give quality and quantity time to their children. She also stressed on how parents can supplement the school inputs by helping the child at various levels at home. The parents were acquainted with the nursery routine and curriculum.

The orientation proved to be a great success as the parents' anxieties and queries were put to rest and the little ones got ready to embark on their exciting learning adventure, stepping out independently into the bigger world leaving behind the cocoon of protection offered at home and emerging as future confident children of SAPS, Baddi.

## BOOK FAIR

Books have always been a source of joy and information for children. This year again the school organized a book fair by Tractor Book Company in the school. Lots of parents and children visited the fair and purchased various books of their interest.

# FIRE SAFETY WEEK

The school invited the fire team to school to demonstrate and give hands on practice to the students to operate the fire extinguishers. They informed the students about the precautions to be taken whenever there is fire. This helped our students and the staff.

## PAINTING FOR SOCIAL CAUSE

Poster making Competition on the topic Eye Donation was held in the school where the students displayed their artistic talents by painting very good posters and writing excellent slogans for eye donation.

## BOOK DONATION CAMP UNDER WAVES OF CHANGE PROGRAMME

The school organized a book donation camp under the Waves of Change Programme conducted by CBSE. The students in large number donated the books which can be used by the under privileged children.

# THE GREEN GROCER DAY

## (KIDS GO GROCERY SHOPPING)

Keeping with the concept of theme based curriculum at SAPS, the school organized a green grocer who set up a shop for the day. This is the part of study related to fruits and vegetables. The students not only got to learn about the colours, shapes, sizes and texture of a large variety of vegetables, but also tried their hand at shopping lists. It was a day full of excitement as children filled up their bags with their purchases. All in all, it was a fun way of learning, that's for sure!

## Health Check Up

The students of SAPS underwent regular health checkups where in the team of doctors had come from Chandigarh to do the Dental check up, hemoglobin test, height/weight measurement, full ENT and Skin check up. The students with some problems were referred to the specialists by them.

## Street Play

The students, made an endeavour to sensitize the students through street plays, to the grim fact that the world is fast becoming addicted to alcohol and superstitions. IX&X presented the street plays on both the social and evil practices in our society.

# Business in Mind, Mind in Business

(Commerce Deptt.)

## Inter House Business Quiz

An inter house Business Quiz was held for classes XI&XII. The quiz had four rounds-Business History, Business Personalities/Product/Brands/Taglines and a Buzzer Round.

## Advertisement Contest

The students of class XI commerce and class XII commerce had inter class Advertisement Contest which was won by the team of class XII

## ANNUAL PRIZE DISTRIBUTION

### HONOURING THE STARS

PRIZE DISTRIBUTION FUNCTION comes only once a year. This generates new enthusiasm in the students. The Annual Prize Distribution event brings forward the talents of the students in the public eye and keeps instances of splendor for others and encourage them for something alike. There are different fields of performance that are worthy to honour. It has been a pleasure for the school to be able to distribute prizes to achievers every year in the same fashion. The brilliant results and splendid achievements of every year signify the ultimate goal of the ceremony and its success.

# HOUSE REPORT

Time does fly.... and we are at the close of another academic session... It was a year full of excitement, challenges and learning. As we enter into the new academic session, full of hope, afresh, new aspirations, vision and determination; we look forward to maintaining our high standards, both in academics, co-curricular and extracurricular activities, as well as improve upon our shortcomings in areas where we failed to achieve the desired outcome. It is the time to analyze how well we did and how much we achieved and to identify our weaknesses so that we can work towards improvement and prove ourselves better in the years to come.

The following is the list of the students who excelled in various activities and made their house proud of them.

# BEST HOUSE TROPHY

Tilak House again bagged the best house trophy 2012-13 for the second year in continuation.

## SPORTS DAY (KG. SECTION)

A school sports day, also known as a field day, provides an entertaining event that allows students to participate and enjoy success. An encouraging atmosphere at the school sports day ensures that all kids feel comfortable participating in the activities. Sports and Games set a forum not only to develop the sporting skills but to develop an exemplary character which will make the teachers and parents feel proud of them. Competitions were held in running race and obstacle race. A large number of students of Nur., L.KG., & U.KG participated in different kinds of races. and it was a wonderful experience for all of them. There were also some light moments when the kids stumbled and fumbled in their acts, or joyous moments for the winners and disappointed faces for those who were a little slow in getting to the finishing line.

## Building a base for healthy learning environment

### Exhibition

To provide a platform to bring forward the creativity and talent of the children rather to explore the hidden talents of the students, exhibitions are put up by the students. It gives the student exposure and appreciation for their faculties. Arts and Painting Exhibitions are the most celebrated occasions. The school makes all arrangements. Such school celebrations in school are meant to encourage the children and bring out the best in them.

**Great Improvement!**

## Brain Teasers

### Students at Maths and G.K quiz

In a world where the young generation's approach is highly logical, scientific and analytical; where the 'whys', and 'hows' and 'whats' happening around are as important to them as breathing, quizzing as an activity assumes paramount importance for it satisfies that inner craving the yearning in these young ones to know more and more. It is a game that tickles their curiosity, hones their intellectual ability and encourages them to read, discover, discuss and most importantly, retain. Above all quizzing teaches you the importance of team work, team spirit and co-ordination.

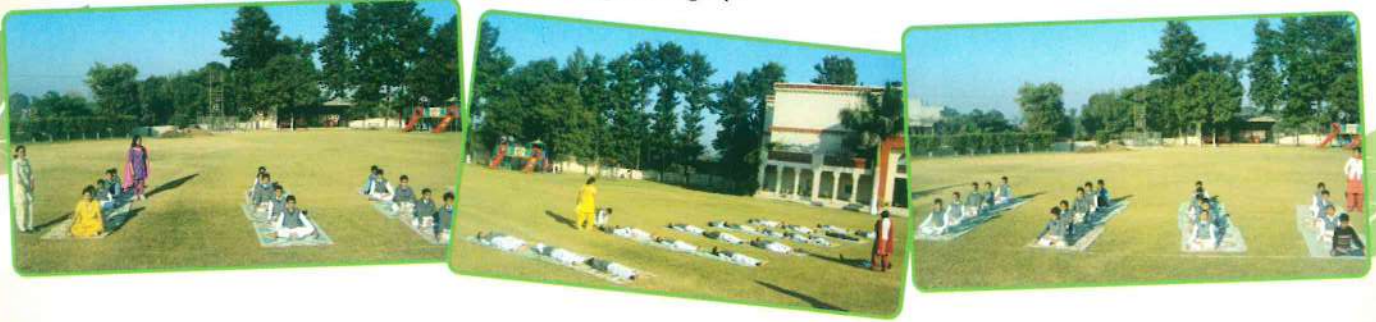

# Club Activities

The school offers clubs every week that teach athletics, dance, keyboards, singing, art and science. The clubs have an important role to play in enriching the curriculum. "Being at school is not just about what you do between 8:00 am and 2:15pm; it's about acquiring the skills to go into society. It's about widening horizons and showing children that they can be a musician or a scientist."

By offering school clubs our children get the chance to succeed in different areas, as well as use this success to overcome barriers in the subjects they find difficult.

## Yoga Club

The Yoga club is a group dedicated to the practice of yoga. We practice exercises while learning about the practices of yoga and how yoga can be used to manage stress, improve the mind-body connection, and increase strength and flexibility. The mission of the Yoga Club is to enhance the lives of students by providing them with authentic and engaging learning opportunities in and outside of campus regarding the practice of yoga. Through the study and practice of yoga, students are able to gain an understanding of their bodies, their minds, and the way they deal with the daily challenges of growing up.

## Environment Club

The earth is our home and we share it with our other living creatures. Unless we respect the laws of nature and share the resources of the earth with all the earth's creatures we cannot survive much longer. In our efforts to impart environment education to our students, we have environment club formed as an integral part of the club activity. Our children in their ways are determined to bring about a change and to restore the damage done to the earth in whatever possible way they can.

## Health Club

The School Health Club has become the focal point of school health promotion which encompasses the entire school environment and has become a school campus activity. Keeping up the spirit of the Motto of the school "Eat healthy and stay healthy" and to inculcate healthy eating habits among the students of junior classes, health club is organized at school. Children enjoy eating their healthy food very much and have lots of fun. All innovative ways of decorating food are taken up.

## Computer Club

The Computer Club is a highly interactive club dedicated to educate and utilize computer skills. Teaching students various skills in programming languages, web design, animation, 3D Modeling, and computer hardware and software is our primary objective.

## Dance Club

Dancing has been and is important because it is a part of us. As humans, we live, we love, we laugh and we dance. Dancing has manifold advantages, for both young and the old. Dancing contributes immensely to the personal improvement of the child and thereby enhances all types of skills that are required for better education. Dancing requires memorization and so helps children improve their overall memory when trying to remember steps.

The school offers a Dancing Club where the students are trained in both classical and non classical dances by the expert dance teacher.

# Music Club

Playing a musical instrument significantly enhances the brainstem's sensitivity to speech sounds. This relates to encoding skills involved with music and language. Experience with music at a young age can "fine-tune" the brain's auditory system. Learning and performing music actually exercise the brain. The children are being trained in instrumental as well as vocal music by the expert music teacher in the Music Club.

## School Cinema Club

The School Cinema is a learning module on life skills, values and attitudes, developed through intense research and is taught using short films. The children are shown various movies which deal with peer pressure, bullying, exam pressure, drugs, abuse, insecurity and various other issues which have great impact on the psychology of the child.

## FESTIVALS IN SCHOOL

### Independence Day Celebration : Ushering in the Spirit of Independence

Independence Day not only instills in us, the sense of belonging, but also a sense of contribution and existence in every step that our Nation takes.

A spectacular assembly was held on the grounds of SAPS on 15th of August to celebrate the 65th Independence day of India. The Principal, Dr. Parminder Duggal unfurled the National Flag and took the salute. The school band put up a colorful show. This was followed by synchronized dance items presented by the girls of Classes VI to XII. The laughter show presented by the students was the highlight of the program.

# WAVING THE TRI COLOUR

We salute the spirit of Independence

Students performing patriotic dance.

## AUROBINDO'S BIRTHDAY CELEBRATION

15th of August is the day of dual celebration for SAPS as it is Sri Aurobindo's birthday also falling on the same day. The school has been dedicated to his memory. The school celebrates his birthday with great fervor and joy. Aurobindo mantra was recited and a speech was also given.

## Teacher's Day Celebrations

Like every year, this year too, the students went all out to make this day a truly special one for their teachers. Students posing as teachers ensured that the 'real ones' got a break from teaching. The juniors happily let the seniors take control. The games were held for the teachers and prizes were also distributed to the winners. A special assembly was held and titles were given to the teachers by the students along with a small gift as a mark of respect.

# A Salute to the teaching Spirit

Teachers playing and displaying their talents

## Celebrating Festivals the Traditional Way

### JANAM ASHTAMI

Janamashtami celebration was a colourful event organized by the junior wing. The function began with the chanting of verses from The Holy Gita as an invocation to Lord Krishna. This was followed by a beautiful dance depicting the Krishna Rasleela by the girls of junior sections.

## Diwali Celebration

### SPIRIT OF FESTIVITY

The Diwali celebration of our school was a much awaited one, and it turned out to be a grand one. It began with a note of prayer asking the Lord Almighty to be present with us. The function was a well organized one, bringing out all the details with regards to Diwali. A lively discussion on the significance and

the customs and practices related to the festival was a good piece of enlightenment... The dance performances of the students, right from the cute kids, to the pretty and elaborate dances from the higher classes, drew much applause from the enthralled students.

## DUSSHERA CELEBRATION

It was for the first time in the history of SAPS that an effigy of Ravana was lit on fire by Lord Rama in the open grounds of the school. The students were told about the importance of the day and also that this day marks or depicts the victory of good over evil.

## THE CARNIVAL OF SWEETS AND BONFIRES...

### School Celebrates Lohri

Celebrations and festivals add colour and joy in our lives. They also keep us in touch with our customs and traditions. Keeping this in mind Lohri was celebrated in the campus. The students of senior classes danced to the tunes of Bhangra and Giddha. Punjabi folk songs were sung by the girls. The students were informed about why the Lohri Festival is celebrated and who was Dulla Bhatti. The fire was lit by the Principal Dr. Parminder Duggal and eatables were distributed among the students and teachers. Everybody stood around the fire and enjoyed. The day ended with a very festive mood and everybody went back home wishing each other Happy Lohri.

# GURUPURAB

## INVOCATION TO THE LORD THROUGH HYMNS

A special assembly was conducted to mark the Gurupurab. The children were told about the relevance of the festival. The high point of the assembly was a soulful rendition of Shabads by the school students.

## Jingle all the way.....(Christmas) Yuletide Spirit

Christmas at SAPS dawned on 24th December, when children of the school presented a rendition of carols interspersed with the story of the birth of Christ. Santa Claus set the stage on fire, as he ran down the podium to mingle with the assembled students. The little ones dressed as Santa Claus brought a smile on every lip with the special warmth which characterizes Christmas.

## Republic Day Celebration

### FREE SPIRIT

"We are proud Indians." Nowhere was this spirit more manifest than in the Republic Day Celebrations organized by the students of SAPS. The school had a special assembly on the occasion of the 64th Republic Day. The Director of Education and Administration, Col. PS Choudhry was the chief guest. The march past was held by the students and Col. Choudhry took the salute along with the Principal Dr. Parminder Duggal. A group song describing the feelings of Independent India was presented. All the students pledged to respect the national flag and lead India into a glorious tomorrow. In his speech, Col. Choudhry, dwelt on the true essence of freedom. He also stressed on imbibing good moral values and assuming the responsibility towards the society in general and the country at large. The assembly ended with the National Anthem.

# INTER SCHOOL ACHIEVEMENTS

*Laurels earned outside the school*

## SAPS BADDI 'S MARCH TO THE ZENITH

Sapians always soar high. This has been proved by the number of awards and trophies won by the students of SAPS Baddi. They have not only been successful in various fields of activities, but have also imbibed the qualities of self reliance, hardwork, leadership, sportsman spirit and creativity. SAPS has made a mark among the important institutions of the country.

## SANITATION AWARD

Good Schools need Good Students and Good Students need Good Sanitation. Sanitation is at the core of human dignity and human progress. Access to sanitary toilets not only ensures dignity of the individual but also positively impacts health, well-being and productivity, reduces drop-out rates and encourages regular attendance in schools. CBSE has awarded our school with the Best Sanitation Award in the yellow category . The Principal Dr. Parminder Duggal received the cash prize of Rs. 25000 and a trophy from Union HRD minister Mr. Pallam Raju at New Delhi on 28th of Nov.2012.

## Indian Model United Nations Conference -2012

Those were the three eventful days for 7 SAPS students who participated in their first ever MUN conference : MUN-2012. Dressed in their western formals, carrying folders of precious research, they made their way to their respective committees. Within those three days, each one of them grew as a person as they sensed the responsibility towards the international community. They realized that learning can never be confined to the four walls of their classrooms. Not only did they learn about the conflicts, poverty, global military hegemony, money laundering, the world food crises but also worked on the resolutions to solve them. It was really an enriching experience for the students of SAPS.

## EDUCATIONAL TRIPS & TOURS

### TRIP TO DHARAMSHALA, MCLEODGANJ, PALAMPUR

*These are unforgettable moments of our lives which we shall cherish and remember always*

During our summer vacations, we went on a four day trip to Dharamshala, Mcleodganj and Palampur from June 01, 2012 to June 04, 2012. The journey was long and tiresome but as soon as we reached Mcleodganj, the signs of fatigue vanished in the cool and pleasant weather. By the time we reached our hotel, it was already quite dark and we preferred to stay in our rooms. The next day we went to 'The Bhagsunag Temple' in Mcleodganj which is a masterpiece of ancient architecture. Post lunch we went to HPCA stadium, Dharamshala. We got the opportunity of watching a state level cricket match. We cheered for the teams and enjoyed ourselves very much. The next day we had a busy schedule as we went to the Zoological Garden in Palampur. We also spent a lot of time in the world famous Tea Gardens. On our way back to the hotel, we visited the famous temple of Chamunda Mata. After that we roamed in the local market of Mcleodganj. On the last day, we visited the Jwala ji temple and Bombay Picnic spot where we had our lunch and enjoyed boating with friends.

# TRIP TO SCIENCE CITY, KAPURTHALA

A tour filled with funny, joyous moments  
And many new things to learn with friends

With lots of excitement, we all boarded the buses and after a long, fun journey, we finally reached our destination. The very first view of the large, beautiful buildings took away our breaths, making our hearts pound and our minds spin, thinking about what we were going to see. We entered the very first building and went for a laser show, which was liked a lot by all of us as we love to play with lights. Then we went to the coolest ride, a flight simulator, in which the most interesting thing was that it looked like an air-plane but it was actually a theatre on the inside which surprisingly gave us the fun of sitting in a roller-coaster. The next thing we went for was a three dimensional movie. Everything seemed to be so real and the movie was about inventions, inspiring us to invent. Then we had lunch which was as good as home made. We were then taken to play some virtual games in a building shaped like a pyramid. Inside, there were many types of fun games and enlarged models of organ systems and physics models and charts and models of old historical monuments and inventions that took place long ago. Before we headed to the Dome Theatre, we had a small walk in the Dino- Park and clicked our photographs. In the Dome Theatre, we saw a very fascinating movie about 'how this universe was formed' and then it was time to leave. We had some snacks and sadly had to go back to our routine lives, but the memories of this wonderful trip will always stay with us.

## Industrial Visit

We visited Stesalit Ltd. where the various parts of trains like the BA Panel, DBR, CTF, Vigilance control device etc. are manufactured. It is located in the Industrial area of Baddi. They showed us the main power control system and train simulator. They also showed us how the brake system of a locomotive can be controlled manually as well as

automatically. This information was very interesting and beneficial too as we came to know about the safety measures taken to prevent the train from any accidents for example the motor of the train is prevented from fire through the DBR and the driver has to respond to the vigilance control device so as to ensure that he is driving the train carefully. Overall it was a fruitful visit and we enjoyed it very much.

## A Rocking Time

The Summer break in the month of June began on a really exciting note for the students of Class X and XI who went to an adventure trip to Naintal for 10 days along with the students of Sri Aurobindo College, Ludhiana. It was a really exciting experience. There were

many activities like wall climbing, valley crossing, commando crawl, rock climbing, tug of war etc. Every one of them would remember it for a long time and wish this would happen again soon.

## OLYMPIADS

# WORKSHOP AND TRAINING FOR TEACHERS

**"... THE MIND MUST BE PREPARED FOR KNOWLEDGE AS ONE PREPARES A FIELD FOR PLANTING"**

Keeping pace with the rapidly evolving society of today demands a lot from an individual. The challenges in the times ahead would be even greater. It is the responsibility of an educational institution to equip their teachers with the requisite traits to successfully cope up with upcoming challenges of their personal and professional lives.

We at SAPS recognize this role and that's why throughout the year we keep on organizing training programs to help develop the required skills and attitudes that can help the teachers to adapt and focus on the vision of making education more child-centred.

The brief of various workshops and training programmes organized in the last year is as follows :

Name of the Workshop	Venue	Attended by
MANAGEMENT DEVELOPMENT PROGRAMME by CBSE	NUEPA, New Delhi	Dr. Parminder Duggal (Principal)
4TH INTERNATIONAL CONFERENCE FOR SYSTEMS AND PROCESSES FOR HIGH PERFORMING SCHOOLS	IIT DELHI	Col P S Chaudhary as a guest (Director Education ) Dr Anita Kaul Mrs Urvashi Sood Mrs. Surbhi Thakur Mrs Nidhi
QUALITY EDUCATION-PREPAREDING NEXT GENERATION LEADERSHIP	CII, CHANDIGARH	Mrs Surbhi Thakur Mrs Deeksha verma
CHILD & BRAIN DEVELOPMENT MAKING MATHEMATICS INTERESTING AND EASY	Vivek High School, Chandigarh	Mrs Monika, Mrs Simmi, Mrs Anjul, Miss Nisha, Mrs Rakhi

Name of the workshop	Venue	Attended by
MAKING MATHEMATICS INTERESTING AND EASY	The Millennium School, Mohali	Mrs Rakhi Mr Umashankar, Mrs Harpreet, Mrs Sarika, Mrs Mamta
WORKSHOP ON EMOTIONAL INTELLIGENCE BY MIND & HEART FOUNDATION	SAPS	All teachers
TRAINING FOR INCREASING EFFECTIVENESS OF CCE BY MRS SURBHI THAKUR (CCE COORDINATOR)	SAPS	All teachers
SMART CLASS TRAINING BY MR ABHISHEK (EDUCOMP)	SAPS	All teachers

After attending various training programmes the teachers come back with widened perspectives, they re-think on their goals and share their knowledge with other staff members to revise plans and adopt policies for further growth.

**The management games during the training programme helped us develop our EQ and has made us realize that children have blindfolded trust on us.**

**This training programme has made us aware of our strengths and weaknesses so that we can work on these strengths and improve our weaknesses.**

**The concepts and techniques of school management context of new challenges that we learned in the IIT Conference will help us in effective school administration**

**The IIT workshop provided us an opportunity for dialogue with educational leaders for sharing their vision which enriched our knowledge for embarking on the journey of excellence.**

**The Strategic Leadership programme helped me sensitize about the new challenges in leadership for school education**

**The CCE Training- acquainted us with the emerging issues in CCE and School Based Assessment in the wake of examination reforms mooted by CBSE.**

**The Training programme by Educomp helped us learn the skills for effective teaching via technology.**

# Well done SAPS!

## CCE ASSESSMENT REPORT BY CBSE

Due to our persistent efforts and continuous training programmes our school has been rated as "GOOD" by the moderators appointed by CBSE for the efficient conduction of CCE system in our school in the session 2012-13.

Only 31.57% schools were categorized as good though most of the schools were rated Average (49.69%) and 18.28% schools needed improvement in their existing practices

## Bidding adieu to seniors -THE SAPIans way

*"No matter what our age, no matter how far in life we get,  
School life is something we never forget"*

On 16th February, 2013 we bade adieu to our class XII batch and wished best of luck to our class X, XII students for their exams. Keeping the traditions alive, the students of class XI anointed their seniors with Tilak. The students were nostalgic as they went back to their memory lanes and remembered the mischievous pranks, innocent delights, the trusted friends, the motivating teachers, the exam tensions and a mixture of emotions. The children were dressed beautifully for the occasion, the brightness in their eyes and the confidence in their smiles made everyone proud. Then came the most awaited moment when the students were awarded with the coveted titles. The title "Miss SAPS" was given to Miss Sarveen Kaur, Mr. SAPS to Master Ankur, Miss Congeniality to Miss Sonal Khairnar and Mr. Congeniality to Master Shubham. Miss Manpreet Kaur and Master Kunal Negi were adorned by the titles of Miss and Mr. Elegant based on a voting done from students of classes I-XI. Then the students hit the dance floor on foot-tapping members. The cold weather was warmed not only by the tables but also by a medley sung by Mr Nishant and self composed poems by Ankur, our Mr SAPS.

*Wishing best of luck - May you bring laurels to the school*

*Miss and Mr - SAPS, Congeniality and Elegance*

It is difficult to accept that school days are gone,  
But ultimately in life we all have to move on.  
Some may struggle, while others may flourish,  
But, School has given us memories we shall always cherish.  
**THE OUTGOING CLASS XII**

The outgoing class XII expressed their deep gratitude and respect to their teachers who motivated them and helped them develop into good human beings. The grand event was over but the memories are there to cherish.

**Birthday Blessings**

Instead of counting candles,  
 Or talking the years,  
 Contemplate your blessing new,  
 As your birthday nears.

Consider special people  
 who love you, and who care,  
 And others who've enriched your life  
 Just by being there.

Think about the memories  
 Passing years can never mar,  
 Experiences great and small  
 That have made you who you are.

Another year is a happy gift,  
 So cut your cake and say  
 "Instead of counting birthdays,  
 I count blessing every day!"

एक दिन मैं जी भर के सोई,  
एक सपने में थी मैं बीई।  
सपने में देखी एक परी,  
सोने वैसे एक बिनती करी,  
नहीं चाहिय मुझे कोई सपुंया,  
मुझे तो चाहिय बस एक भैया।  
उसने दिया मुझे एक भैया,  
जो है बहुत नटखट जैसे कन्हैया।  
मत पूछो जो क्या-क्या करता,  
मुझसे ही वो हर दम लड़ता।  
नर पीछे ही वो पड़ता,  
मेरा बना देता वो भड़ता।

### Poem on Mother

My MOTHER is a wonderful lady,  
She always tells me to be ready & steady.  
She helps me to follow the path straight.  
She also helps me as a teacher and as a friend.  
Her heart is full and prudent towards all.  
She corrects me when I am wrong.  
She counsels me as a mother and as a friend.  
She holds me when I stumble.  
She always tries to understand my heart.  
When I study she is like a teacher.  
In kitchen she is like a chef in a bistro.  
In bedroom she is like a loving mother.  
She is like an angel who heals my heart when it is hurt and makes my heart well again.

### बिस्मय !

धरती के कम कदों - बूँदों,  
 तो अब ऊँचों के बने कदों,  
 एक ऊँचा है, एक सजित है,  
 एक, कानिवा भिन्न है,  
 कौ उन्हायी मत बूँदों का है कितना  
 विस्मय ?  
 एक वृक्ष के विविध जंग हनु,  
 सुख - सुख में सब एक मंगल है,  
 लगे एक के मत पर शक्य,  
 जोड़ - एक एक कर,  
 कौ उन्हायी ऊँचाओं के है कितना  
 विस्मय ?

### What Is Life?

Life is a song of love,  
 That every heart is to sing.  
 Life is an ocean of love,  
 To be crossed by every thing.  
 Life is a puzzle too,  
 That has to be solved by you.  
 Life is an open book,  
 That everyone has to read through.  
 Life is also a mirror,  
 That shows your face.  
 Life is lovely, sweet and cheerful,  
 Life is dull, mean and moroseful.  
 Let life for me go on all,  
 So to to live very long.

### Junk Food (Poem)

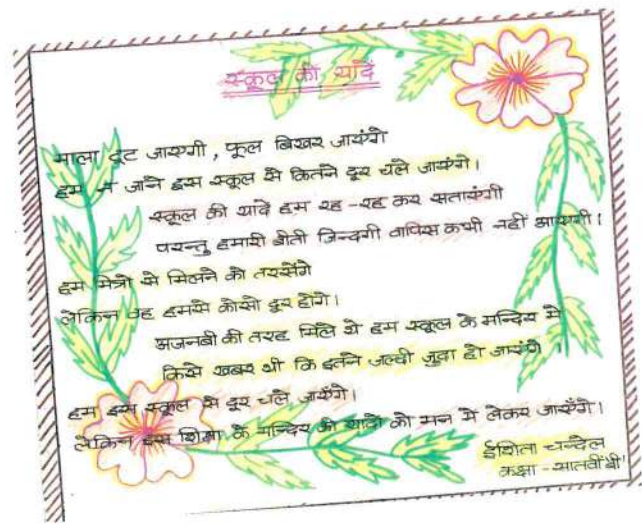

You leave us with unhealthy life,  
 Yes, you're the Junk food.  
 From day tonight I search for you,  
 Yes, you're the Junk food.

All the time I say,  
 pizzas, burgers, noodles,  
 chips, juices, hot dog.

For you I cry from,  
 day to night.  
 Mothers scream & Father yell,  
 They feel that you are pain.

## Memories- Forever Engraved in Our Hearts

AS I LOOK AT MY DEAR CLASS XII, I SAY WITH A SIGH,  
12 YEARS HAVE GONE AND IT'S TIME TO SAY GOODBYE.

THAT FIRST TIME WHEN YOU ENTERED AND WERE  
SCARED TO SEE SO MANY NEW FACES AROUND  
LEAVING THE HANDS OF YOUR PARENTS WAS NOT  
EASY, AS WITH THEM YOU WERE FIRMLY BOUND.

LEARNING ABC WAS SO TROUBLESOME FOR YOU ALL &  
POEMS MOST TOUGH TO CRAM  
WITH HANDS AT YOUR BACK YOU'D LOVED TO SAY,  
"MAY I COME IN MA'AM"

LOOKING AT THE SENIORS AND DREAMING TO BE LIKE  
THEM WHEN YOU GROW,  
OPENING OF THE 1ST COLLAR BUTTON BY ONE, & THEN  
BY ALL IN A ROW.

THOSE EARLY MORNING MARCH PAST PRACTICES  
WHICH GAVE YOU CRAMPS IN YOUR GUTS,  
TYING OF 1 METRE LONG BANDAGES FOR HALF A  
MILLIMETRE SMALL CUTS.

THOSE GOSSIPS, THOSE SECRET SMILES,  
SITTING ON LAST BENCHES TO HIDE BEHIND THE PILES

THE ASKING OF GAMES PERIODS WHEN YOU KNEW YOU  
WOULD NOT GET,  
PUTTING DOWN OF THE HEADS BY SAYING "I'M SICK",  
WHEN BECAUSE OF SOME FIGHT YOU WERE UPSET.

I DON'T KNOW WHETHER I SHOULD SMILE BECAUSE IT  
HAPPENED OR CRY BECAUSE NOW IT'S ENDING.  
AT PRESENT WE HAVE VERY HEAVY HEARTS, TO SMILE  
WE ALL ARE PRETENDING.

SO NOW YOU'LL STEP INTO THE WORLD ON YOUR  
OWN,  
AS YOU START OUT TO SEEK YOUR GOAL.

DIFFERENT PATHS ALL LEAD WHICH WAY,  
BUT WHERE YOU'LL END NONE CAN SAY JUST ONE LAST  
ADVICE AS ALWAYS

YOU HOLD YOUR FUTURE IN YOUR HAND,  
MOULD IT AND MAKE IT INTO ALL YOU CAN. I' AM  
CONFIDENT:

WHATEVER YOU WANT YOU'LL SURELY GET,  
IN THE EXAMS JUST PUT IN YOUR BEST.

SO THAT WE ALL CAN PROUDLY SAY,  
LOOK AT THIS XII BATCH, AND FOLLOW THEIR WAY.
