# EDITORIAL

**“Success comes to those  
who work hard and stays with those,  
who don't rest on the laurels of the past.”**

The publication of this school magazine is a major milestone in the progress and development of the school, just like an army marching on its stomach. The magazine opens a window of opportunity to many people who will know that as an institution, we are destined to the bright future. It ignites pleasure and satisfaction in us to ensure about the great stride gained by the School in the short period of its existence. We are creating a future full of optimism and enthusiasm, a future where every endeavor will succeed and ineptitude and disillusionment will be something of the past.

We personally feel that mother's Campus has evidently touched and inspired the students to present and share their work, this edition showcases evident creative zeal through yet another conglomeration of charming poems and various thought provoking expressions by the students.

We are pleased to present to you this edition of magazine. Enjoy every moment you have because in life there aren't rewinds, only flashbacks. For you, we have worked hard to bring up an exhilarating flashback of the events and achievements of the session 2016-17.

We extend a hearty thanks to all the teachers who co-coordinated with the editorial team in making the students write ups available, and a very special thanks to Mrs. Anila Nair (Principal) for her overwhelming support through the publication of this Magazine

# Chairman's & Message

*May the sapling grow into  
a sturdy tree and spread its branches*

Education is the basis of all progress. It is for this very reason that we forayed into education, about 20 years ago. Over two decades of experience has taught us that progress is possible only, if men and women are equally well-educated.

The entire purpose of education is not to impart bookish knowledge only but inculcate humanitarian values like wisdom, compassion, courage, humility, integrity and reliability in a student.

The School believes in holistic education for your child, encompassing – academics, co-curricular activities, sports education and life-skills learning. Our endeavor is to strike a balance between state-of-the-art infrastructure and an integral concept of education.

At Sri Aurobindo Public School we impart education that is based on conscience and we rear a breed of young minds that are bustling with self confidence, motivation and ever ready to take up challenges.

The campus, sports and academic facilities all bear testimony to this effort. In order to promote an internationally acceptable education, our key focus has been on faculty development – providing continuous teacher training in order to deliver real value education and excellence in academics. Teachers are trained to teach well and inspire confidence and trust in their students and become role models. Further, the School inculcates in the students a respect for tradition and ensures discipline and good manners.

Sri Aurobindo Public School encourages students to learn about themselves and their constantly changing environment, while at the same time offering support and guidance as they practice decision-making and social skills.

My sincere thanks to the Director Col. PS Choudhry, school's Principal Ms. Anila Nair, teachers and other staff members without whom these successes big and small would not had been possible. They not only teach the children the subjects but also inculcate values of commitment, zealously and pride in everything they do.

I am confident that this school is the best place for your child. I welcome Parents active interest and involvement in the progress and activities of the child. I look forward to your continuous support.

Thank you and stay blessed.

# Director's & Message

In the words of Dalai Lama, **"When educating the minds of our youth, we must not forget to educate their hearts"**. We focus on discovering, developing and drawing out the hidden talents and the magic lying dormant inside all of our students. From academics to co-curricular activities, perseverance and a never-say-die spirit are entrenched in the heart of every student not only making them good students but brilliant human beings. In today's dynamic world, a 360 degree development and grooming is of supreme importance and through our school we are creating an environment for future leaders, entrepreneurs and professionals who possess skills and aptitudes in an array of functional disciplines.

I am very happy to say that the flight of success which the school had taken off in the last few years has ultimately gained momentum with number of students getting admissions in the prestigious institutions of the country after clearing the exams of JEE advance, NEET, NTSE and Law Entrance. Two of our commerce students have got admission in Delhi University colleges which is itself a very laudable achievement. Not only this, one of our student participated in MUN representing India in Kenya. Also in co-curricular field, two students have got selected by SAI (Sports Authority of India). All their expenses related to their education, training, boarding and lodging will be borne by the Govt. This speaks of the vision, mission and the policies for the growth with which this school was established has started showing the results.

I congratulate the Principal along with her dedicated team of staff for their efforts to monitor and mentor the students. I would urge the teachers to not to sit on the laurels achieved but work hard continuously to give more height to the flight so that in the coming years the number of students boarding this flight of success keep on increasing.

I am positive that in times to come we will continue this journey with elevated enthusiasm and persistently provide a platform of holistic learning to the young generation of learners.

And as the cliché goes, last but not the least, I expect all my young students to focus on their cherished goals and strive hard to accomplish them transcending mediocrity and procrastination.

All the best

Col. PS Choudhry  
Director Education

# Principal's & Message

***“The future of the world is in my class room of today”*** – In a journey that is pre destined to shape the future of this world, every school has a major role to play and the hardest part is that every day and every single minute matters. A reflection to the past one year of our School is gratifying. It has been progressive yet rooted to the core values. The achievements are both academic and nonacademic, a balance that strikes the inclusiveness of education imparted here as envisaged by Sri Aurobindo.

Academically, the School had a very rewarding session in 2016 -17. Out of the 42 students who appeared for the Class XII board examination 93% passed with first division and 38% of the total, with more than 80% marks. Not to exclude the brilliance that students have exhibited in certain subjects like Business Studies and Biology, it is noteworthy that all the students who appeared for both these subjects have scored more than 70% marks. It is also highly motivating that the average marks of individual subjects have also shown an upward trend. The credit of these achievements are attributed to the perseverance of the students, the devotion of the teachers and the unconditional support we received from parents.

Apart from the numbers that show a school's progress, the real achievement lies in paving the way for its students to find admission in premier institutes of the country. The School has been able to guide students in picking up courses that suit their aptitude in various institutes of high repute, a mention of which you will find in Mother's campus. The career counselling sessions conducted by Wonder School, Panchkula has added value to this vision. IITs, Government medical Colleges, National Law college and Delhi University are dream destinations of many students where our students have started finding their place. The effort is to help more students realize this dream in the coming years.

The School had initiated many activities that direct towards inclusiveness. Counselling was a major step ahead. Dr. Tarundeep Kaur, a visiting consultant, has helped many students in settling issues that hindered their academic progress or was a cause of stress for them. Development of the athletic track with the playground is an added asset which will help in motivating students to take up sports activities.

Dealing with a generation of students exposed to an ocean of information, inadvertent influence of social media and various other distractions is extremely challenging for the School as well as parents. Instilling judgement and reason in our children will be the key to our progress as a nation. The School will be striving to impart such education which will hand hold them for their sustenance and existence as a true and responsible citizen. In pursuit of such a goal we require the support of all its stakeholders, the immediate community and primarily the parents.

Mother's Campus is more than a newsletter. Each page captures the fun and ecstasy of learning, innovating and being creative. It is a treasure trove of beautiful moments spent in the campus. For a student it reverberates the past one year back to vision every time he browses through and for parents it is a collection of all those events that they have and have not witnessed. For us it is a means to express our gratitude to the Management, the Parents and the lovely children who have gifted us those beautiful moments to work and live in.

Thank you and enjoy reading!

Mrs. Anila Nair  
Principal

# THANK YOU FOR

# 10 INCRECIBLE YEARS

Mrs. Indu Mishra

मैंने गत दश वर्ष के कार्यकाल में छात्रों को विषय का ज्ञान देने के साथ-साथ संस्कार से युक्त वातावरण निर्मित करके नैतिक मूल्यों को अनाए रखने का प्रयास किया है। मैंने एक विषय विशेषज्ञ की भूमिका ही नहीं बल्कि मार्गदर्शक एवं प्रेरक की भूमिका भी अव्वूषी निभाई है। इसके लिए मैं प्रधानाचार्या एवं निदेशक महोदय का आभार प्रकट करती हूँ कि उनके दिशा निर्देश एवं मार्गदर्शन से शिष्य वर्ग को अपने अध्यापन द्वारा संतुष्ट कर पाई हूँ और आने वाले समय में भी निष्ठापूर्वक अपने उत्तरदायित्व को निभाती रहूँगी।

Mrs. Vijay

I joined this prestigious school in April 2007. When I look back to all these 10 years, many beautiful memories sparkle in my mind which has made my journey very pleasant and smooth. I am exhaling my gratitude to my esteemed organization and all my Principals for the opportunity they gave me to work with them in these ten years. It is a great, friendly and learning atmosphere. I learned and explored a lot here.

Ms. Sunita

Learning is an experience, everything else is just information.

*-Albert Einstein*

Learning, teaching and experience go hand in hand and SAPS offered me this three some forum, at its best towards realizing my potential which gives me a sense of pride. After joining SAPS in year 2007. I never looked back and took leaps in acquiring and dispensing knowledge as an evolved teacher year after year. At SAPS I got a continuum of holistic opportunities to unleash a teacher with me. All such professional and personal acquisitions that have come in my way through SAPS way, I owe everything to SAPS with deep sense of gratitude.

# Annual Function

## *A musical Soiree at SVP'S*

A time to study, time to play, time to perform and time to captivate. The school's annual date with music and dance combines all the above. The setting was school's ground embellished with brightly coloured flags, painted sidewalks and beautifully arranged seating in the ground for over 2000 people.

The 2 hr. theme based programme was planned down to the last tiny detail working with precision and an efficiency that was the hallmark of the institution itself. All the items revolved around the theme "National Integration".

The crispness of the show did not allow at any point attention to sag.

The band show was the opening event where the captain of the band welcomed the Chief guest Ms. Suchita Jain, Joint MD Vardhaman Group of Industries. This was followed by other performing events each more enthralling than the other. From Ganesh vandana to sha la-la, Together with, apna har din aise jio, tap-tap, gidda and bhangra students got a chance to demonstrate their prowess as they displayed their dancing skills carrying suitable props which brought life to the scenes they were dancing to. All the tiny tots of Kindergarten section made their playful entry on the stage performing their items flawlessly.

Much thought was given to the selection of the songs. From famous childhood rhymes to bollywood favourites, there was also Desi Gidda and Bhangra that lent themselves to graceful and snazzy movements. As the theme was National integration, The show ended with India wale song where every body in the audience paid tribute to the country by standing at the end for National Anthem.

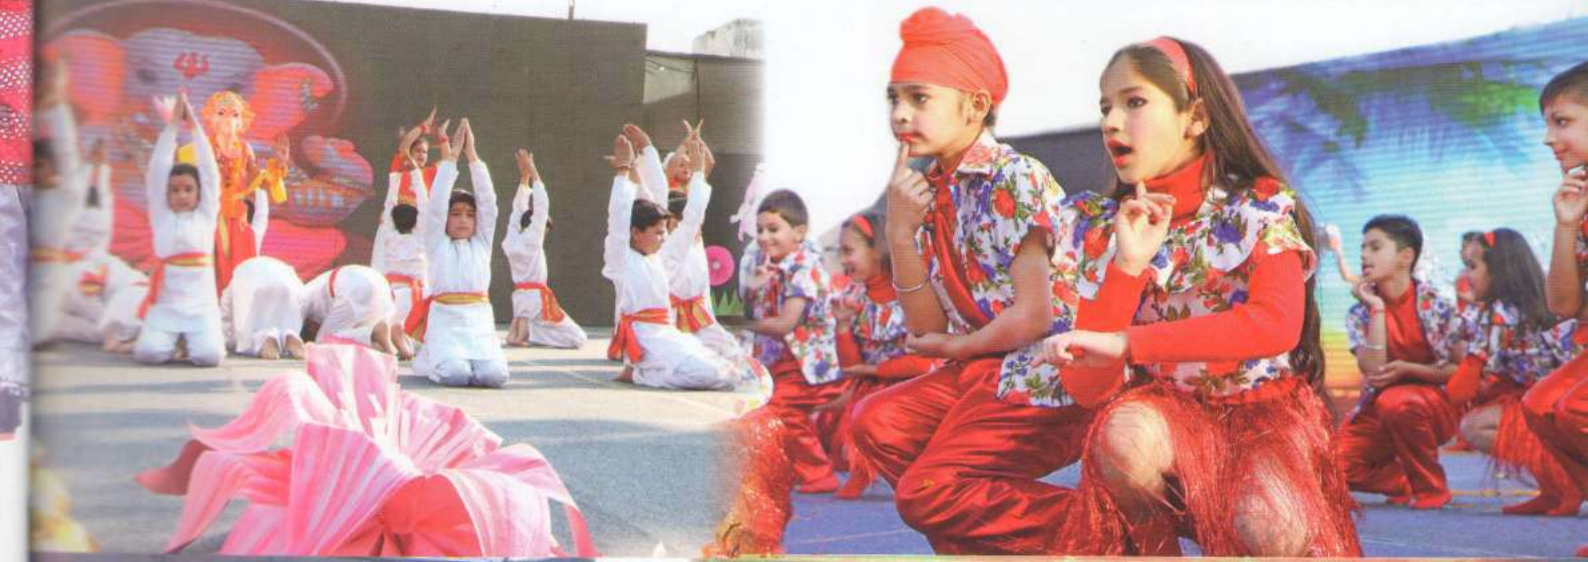

The chief guest gave a very delightful speech wherein she appreciated the efforts of the students for putting up such a coordinated and flawless show. She congratulated the Principal and the staff for their contribution in preparing the students for various items. She wished all the best for our future endeavors.

# Making Life a celebration!

## Celebrating Festivals

The rich and vibrant festivals of India are a testimony to our diverse tradition and culture. Festivals in India revolve around Lord's birthdays, traditional myths, seasonal changes, relationships, and much more. Festivals are celebrated irrespective of religion or caste in the country, bringing people closer and creating a strong bond of humanity.

For students, it is a great way to understand the rich heritage of India and learn about the importance of various festivals. These festivals also help students from across the world to know about India and its history. This creates a good reputation of our country in the world and we get an opportunity to spread our country's rich heritage. Our school organizes cultural programme for students that foster inter cultural learning experiences

## Freedom in the Mind, Faith in the words, Pride in our Souls. Let's salute the Nation.

The Independence Day celebration began with a fantastic note first by seeking the blessings of the almighty God. It was followed with a speech given by the students. The choir sang a melodious patriotic song. A brief description of the Preamble to our constitution was given. Dance can change any mood gracefully, so according to the occasion a fusion dance was presented. Our Principal addressed the school rendering her message of having a sense of patriotism on the occasion. A group song was presented once again by the choir. Students also recited a patriotic poem. The programme came to a conclusion by singing the National Anthem.

### *Janam Ashtami*

*Love is a consistent passion to give, Not a meek persistent hope to receive.*  
- Lord Krishana

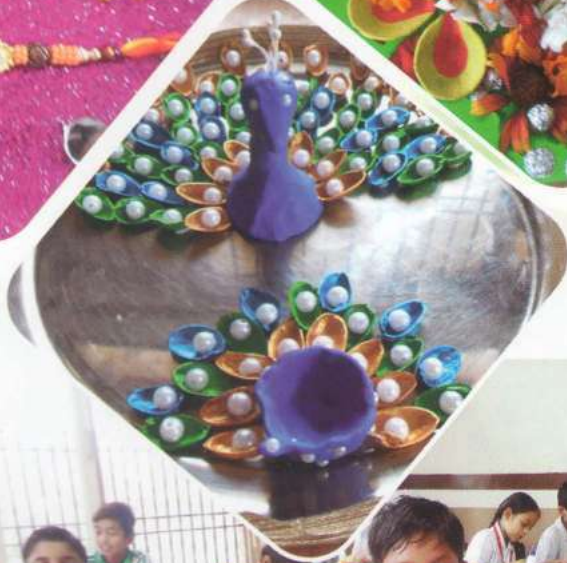

Janmashtami was celebrated at School. Children of KG section came in various attires of Lord Krishna and Radha. The children enjoyed the festival. The event comprised of Group Dance on the life of Krishna by classes 1 & 2, Group Songs that show the devotion to Krishna and Group performances by the girls of class 1 & 2 marked the occasion. The School Principal wished the children on the occasion.

# Raksha Bandan

Raksha Bandhan, popularly known as Rakhi is an Indian festival that symbolized the loving bond between brothers and sisters.

# Teacher's Day

*"It is the teacher that makes the difference, not the class room"*  
- Michael Morpurgo

Teachers Day at School was celebrated with full zeal and enthusiasm. The day started with giving a tribute to Dr. Saraypalli Radhakrishnan. The day had an emotional and recreational touch. The students did all the preparations with complete energy and excitement. There were various games for the teachers and the students also performed various dances.

Students thanked the teachers for their guidance. The teachers were overwhelmed on seeing the orchestra. Director Education Col. PS Choudhry and Principal, Mrs. Anila Nair congratulated the teachers on the Teachers Day. The day ended with the lunch organized for the teachers and staff to mark the day.

# Diwali Celebration

*The significance of Deepavali is the removal of darkness and ignorance from the mind and filling it with goodness.*

Students of Sri Auribindo Public School celebrated the festival of Diwali by organising Rangoli competition under various themes and students of small classes decorated puja thalis with colourful ribbons, sparkle beads, shells, stars, mirrors, glitters etc. Every child displayed his item in a very innovative way. The whole display was overwhelming.

The Director Col. PS Choudhry appreciated this endeavour of the students and encouraged them to celebrate every festival with the same spirit and enthusiasm. "Through this exhibition, students tried to convey in their small way and taught us how this pious festival can be celebrated in other way than by just burning crackers and polluting the environment," said Principal Mrs. Anila Nair.

# Christmas

In the school premises spread the aura of 'X'mas celebration in vivid colours and fragrance. While giving the Christmas message, our Principal emphasized the relevance of Christmas in today's world to reach out the suffering through sharing and caring with love and compassion thereby dispelling the negative forces of hatred, ill will and divisiveness to establish a peaceful world. A Skit and Jingle dance followed by arrival of Santa stole the show and let the children have a merry – merry Christmas. The program ended with the National Anthem.

## Republic Day

*Don't see the colours our national flag has, feel the meaning it reveals behind.*

The Republic Day was celebrated in all its solemnity and grandeur at School on 26th January 2017. The students saluted the National Flag and pledged themselves to upholding the honour and integrity, diversity and uniqueness that is "India". The students dispersed after snacks with the image of the fluttering tricolor in their minds.

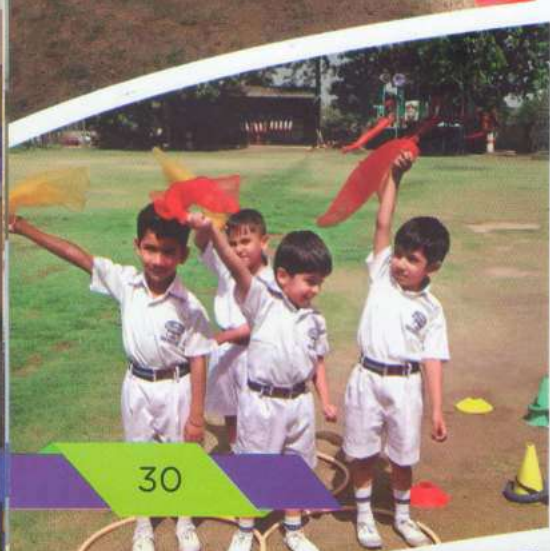

# Kinder Garten Activities

Co-curricular activities facilitate the various domains of mind and personality such as intellectual, emotional, social and moral development. Activities play an important role to develop the students' personality as well as to strengthen the classroom learning. These activities are organized along with the studies. The

# Thematic Assemblies

“Where Every Student Thrives”

The day begins with the prayer to the Almighty, which is attended by the whole school. Assembly programmes revolves around a specifically chosen theme. Each class of the school gets a chance to present and witness thematic assemblies on regular intervals which provide not only another learning ground but also ample scope for students to demonstrate their talents in various fields. Assemblies also provide ground to laud achievements and awards won by students.

# *Trips and Tours*

The school organizes educational tours from time to time. Extensive tours are organized to make the students aware of India's rich heritage and rapid transformation. Memories of school Educational trips are among the most prominent of the formative years, largely because they are a welcome break in the routine for both students and teachers. While their purpose is essentially to educate, they can also be a fun bonding experience for everyone involved.

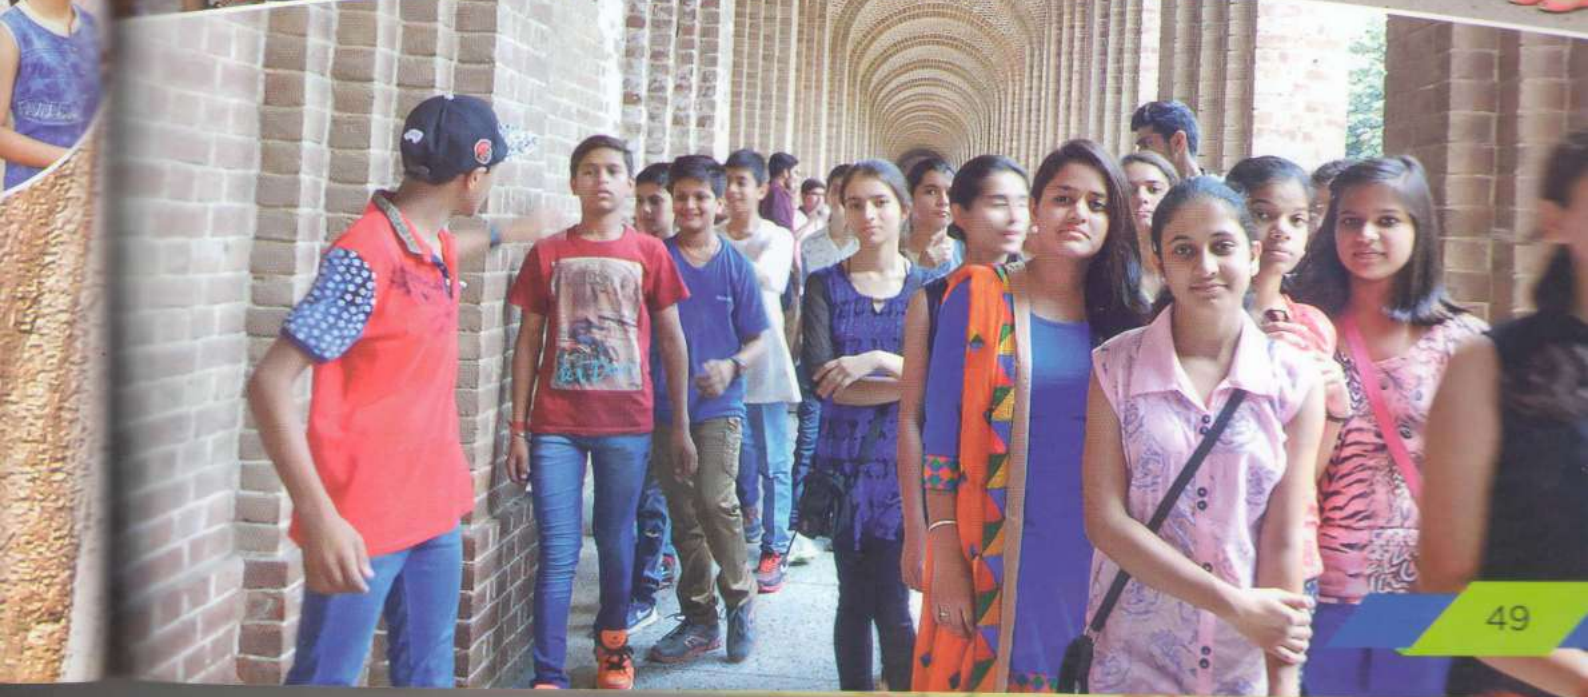

Going on a Educational trip means more than simply leaving the school grounds. The importance of Educational trips includes giving students the chance to build closer bonds with their classmates, experience new environments and enjoy a day away from the classroom. Educational trips provide valuable educational opportunities away from the classroom, without using textbooks and other tools used in a normal school setting. Students on Educational trips can often learn while having fun in a more informal environment.

# INITIATIVES BY THE SCHOOL

## Career Counselling.....

*To strive for that day, when a single child won't be saying – "I could not achieve that, because I did not know about it"*

In an era where careers are in plenty and knowledge about them is scanty, choosing the right career becomes tough for the kids and guiding them on the right path a gruesome process for both parents and teachers. Thinking beyond the clichéd careers like engineering, doctor, CA without knowing where the new career will land us into, is a task one will not do in dreams also.

To help students gather proper awareness about the emerging careers and then choosing one wisely, we have started Career Counselling Initiative in the school. The sessions are taken by experts of Wonder Skool (WS Education Pvt Ltd), a Panchkula based career awareness organization who is the official career counselor of more than 150+ schools across North India.

This initiative was started for the students of classes 8th to 12th. Three workshops are conducted with each class during the academic year. The approach is very pedagogy oriented.

Class 8th : Self Analysis (Multiple Intelligence and Complex Personality)

Class 9th : Subject Awareness ( Careers from different subject like Physics, Mathematics, Chemistry, Biology, Computers, Accountancy, Business Studies, Economics and Skill based careers.)

Class 10th : Stream Selection (On the basis of a Career Profiling Test)

Class 11th and 12th : Stream specific Career Awareness

Starting from class 8th , it is voluntarily chosen by students, to make the students more informed to take the right career decision for their lives.

# Guidance and Counseling

Special session of guidance and counselling were provided to the identified students who required it the most.

Two students from each section from classes 6 onwards were selected and counseled by a certified counselor Ms Tarundeep Kaur from Chandigarh. The aim of the school behind this step is to encourage the student's academics, social, emotional and personal development.

Ms Tarundeep counselled each student separately keeping in mind the secrecy and respect for the individual.

According to the need she gave students necessary support such as helping them to understand themselves and their needs to solve their problems and to make realistic decisions etc.

# Investiture Ceremony

"Leaders are not born but are made by their experiences in life". To inculcate the leadership qualities in students and to give them a feel of functioning of the administrative body, a school council is formed.

On a morning of 2017, deserving young talents of our school were bestowed with the responsibility of leading our School from the front with their commitment, confidence and competence.

The school held the Investiture Ceremony with great enthusiasm. The Investiture Ceremony marked a significant beginning of the new academic year under the leadership of the newly elected council. It was a solemn occasion where the young students were all prepared to don the mantle of leadership and discharge the responsibilities entrusted upon them by the school.

With pride and a sense of achievement surging in their hearts, the school authorities along with the students listened with bated breath as our Principal delivered a motivational speech. With these responsibilities placed on their firm shoulders, the newly appointed office-bearers silently vowed to act as role models for the rest of the school to emulate. Following that our Principal decorated the new leaders with badges and sashes as to invigorate the enthusiasm.

Heena, the Head Girl proposed the Vote of thanks assuring that her council will live upto everyone's expectations.

The momentous ceremony ended with the National Anthem. The breeze at that moment was full of amenability and honor. Smiling and jubilant, the new leaders marched ahead immediately to take on their duties and to lead their alma mater along with them.

The programme concluded with the singing of the School song imbibing the school spirit of oneness.

# Tilak Ceremony "Blessings- the traditional way"

It's an annual ritual, to bless and celebrate those who've led us, to believe in them.

The students of class xii were anointed with the Tilak by the Director, Col P S Choudhry and the Principal. They blessed the children of class XII as they stepped into the most crucial phase of their career and appeared for their board exams. The parents were also invited for the occasion.

As the students were anointed with the Tilak, class teachers admired their presence in school by words of admiration and praise for the uniqueness which each one possessed.

# FAREWELL ..... "Au Revoir"

*Au revoir, FOR ANOTHER ADVENTURE BEGINS,  
Hook back to part you cleared, we stand in merry din,  
For we are all family,  
now you're a bird, With a will to fly,  
let the world's wonders not cage your heart,  
For it is your own, and it's only the start.*

The 11th standard students organized the farewell party. Director sir Col P S Choudhry and Mrs Choudhary presided over the function. The seniors were invited to this event with cards made by the juniors for the auspicious event. The seniors all dressed like kings and queens, were given a warm welcome.

The program started with the shenanigans devised by the students of XI class, which turned out to be a grand success, as everyone adored the games and the other activities.

Then came the moment for which everyone waited. Ritka Bassi was crowned "Miss SAPS", Nandini Goyal - "Miss Congenialty, Anirudh Sharma - Mr SAPS and Madhurdeep - Mr Perfect. The auspicious cake cutting ceremony was held.

When the program was over, the principal gave the students some helpful sermons for the future life. Lastly she also advised the students some points to follow for their forthcoming exams. Then the function came to an end.

Refreshments were served to all students, which pleased everyone, as they were lip smackingly good.

*To our senior most students who will now take the world, farewell, brave hearts, you were the idols, the leader, the examples, let your success inspire the rest; we wish you all the best....." School times are the best times; this was the time where everyone learned that nothing lingers for long and that life demands a person to move on.*

# Management Committee Meeting

(Date : 7th March, 2017)

The meeting began by welcoming members & the presentation of Annual Report by the Director (Education) Col P S Choudhry. It highlighted the recent changes in the Examination system as proposed by CBSE. The members were apprised of the revision of Fee Structure. The new initiative to be taken up for the new session were proposed. Prescription of NCERT books and suggested readings for the next session were put up.

The mission for the coming session was highlighted by Col P S Choudhry:

- producing better results by taking extra classes for gifted and weak students,
- preparing IX class students for NTSE
- training teachers in teaching respective subjects effectively
- providing coaching to talented students by coaches from NIS
- permanent medical facility by a qualified doctor and nurses for regular medical checkup.(thrice a week)
- making optimum use of the school counselor.

The meeting ended by Congratulating the School Management and the teachers on the developments taking place in school and wishing luck for the next session.

And the  
winners are...

# MOTHER

The sweetest word on the lips of all... MOTHER  
The Mother is one who understands Me  
She's the one who did the best for me  
She's the one who overlooks my faults  
and sees the best in me

The Mother is one whose love is special and forever strong  
Her love inspires me day by day on my life's way  
When I'm sad, she tries to make me happy  
And bring a smile on my face.

That's the reason why,  
A Mother is all these things and more,  
The greatest treasure known  
And the bravest Mother in the World is the  
One I call my mom

**Clean Fuel, Better life**

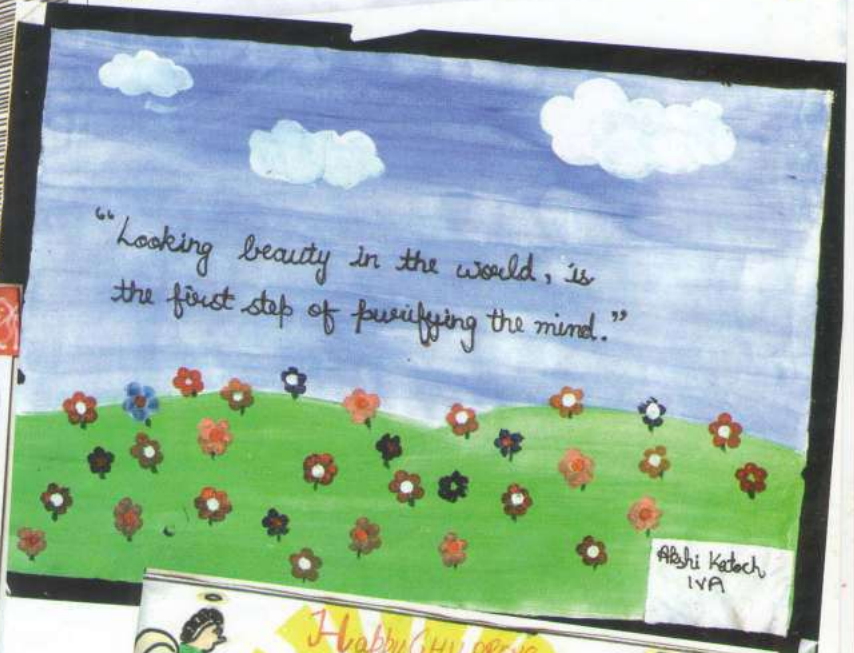

PROVIDE FUEL FOR CARS

AGRICULTURAL NEEDS

"Clean Fuel means better life."

This slogan is inter-related to our needs respectfully.

As we are well aware that Petroleum is considered to be black gold. This is because of its purity and needs.

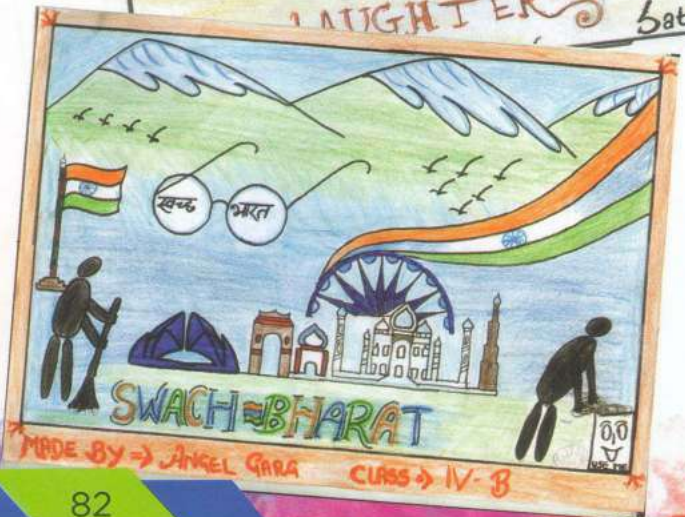

ROAD has SPEED limit,  
 BANK has MONEY limit,  
 EXAM has TIME limit,  
 BUT  
 THINKING has NO LIMIT,  
 SO THINK BIG and  
 ACHIEVE BIG.

मेरी पहली साथी  
माँ

सबसे पहली दोस्त तो मेरी, सबसे पहली साथी।  
सबसे पहली दोस्त तो मेरी, सबसे पहली साथी॥

जाना भली ही तो जाता है, पर गंद लहंगे जो जाना,  
कभी मिलाने कभी मिटाई, कभी अरेक-कभी मिलती,  
कभी दिल में कचली तो धपड़ उभि लंगोली,  
सबसे पहली दोस्त तो मेरी, सबसे पहली साथी॥

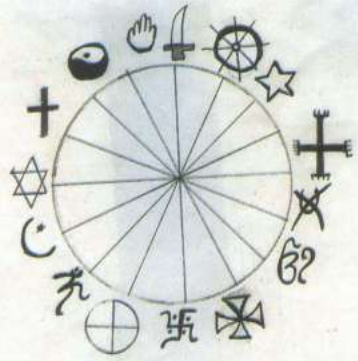

जब कभी रोते तो, उनसे भी लड़ जाती  
महा खड़ाएल मैं, यही दुआँ देती,  
तब ही गंदे काज, यही नखवाणी,  
पहली दोस्त तो मेरी, सबसे पहली साथी॥
