P.T.O FOR ANTI CHEATING POLICY

Dear Parents

As you are well aware that S.A I examination is fast approaching and your ward must be putting all out efforts to excel in the ensuing examinations. Furthermore, examinations also test the parents' perseverance and teachers' hard work to shape the future of our nation's building blocks. But some unfortunate instances of using unfair means in examinations mar the spirit of examination. To ensure that the hard work put in by students are well paid off, the school has a 'No Cheating Policy'. **Therefore kindly note the following guidelines, please:-**

Any student caught cheating or helping a student to cheat will be dealt with in the following manner.

- 1) The student will be made to realize the seriousness and gravity of the situation. Counseling will be done. Parents will be called and told about the incident. A letter will be issued in writing to be acknowledged by both the parents and the student.
- 2) The student will be awarded zero in the paper.
- 3) The student *may be* forgiven with a warning "first" time. In case he/she cheats again, he/she will be expelled from the school with immediate effect.

All the best for the exams.
